

COMMONWEALTH OF KENTUCKY

Office of the County Attorney

## ORDER TO VACATE

By Order to the Public Health Director you are hereby ordered to vacate the residence at 4134 Madisonville Road, Hopkinsville, Kentucky due to confirmed mercury contamination. You are ordered to remain out of the residence until such time as professional abatement and clean up has been performed and an inspection conducted by the Public Health Director and the residence determined to be fit for human occupancy.

SO ORDERED this 24th day of June, 2010.

A handwritten signature in black ink, appearing to read "Mark E. Pyle", written over a horizontal line.

Mark E. Pyle  
Public Health Director
