Jeff,

Below is a list of ARAR's that you requested in the voice mail message you left for me today, July 19, 2010 for the proposed removal actions Pickens Plating facility located at 1000 Industrial Ave. Albion, MI 49224, Calhoun County Michigan. The requirements are all part of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA) and include:

- Part 31, Water Resources Protection
- Part 55, Air Pollution Control
- Part 111, Hazardous Waste Management
- Part 115, Solid Waste Management
- Part 121, Liquid Industrial Wastes
- Part 201, Environmental Response
- Part 213, Leaking Underground Storage Tanks

For more details please see the attached document which has a more comprehensive list including regulations beyond the environmental code as well as a breakdown of important provisions of the state's environmental code. Please call me if you have any questions. Note to that as of Sunday January 17, 2010, authorities invested in the Michigan Department of Environmental Quality were vested by Executive Order 2009 - 45 in the Michigan Department of Natural Resources and Environment.

Thanks again for your help,

David
