PAPERWORK BURDEN DISCLOSURE NOTICE

Public reporting burden for this form is estimated to average 3 minutes per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this form. You are not required to respond to this collection of information unless it displays a valid OMB control number. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW, Washington, DC, 20472, and Paperwork Reduction Project (1660-0047). **Note: Do not send your completed form to this address.**

INSTRUCTIONS

Items on the Mission Assignment (MA) form that are not listed are self-explanatory.

I. TRACKING INFORMATION. Completed by Action Tracker or other Operations staff. Required for all request.

State: If multi-State, choose State most likely to receive resource(s), (i.e., when using 7220-SU Program Code)

Action Request No.: Based on chronological log number. Used for tracking.

Program Code/Event No.: The pre-declaration, emergency, or major disaster number assigned for funding the event. Examples: 7220-SU, 4220-AD, 3130-EM, 1248-DR.

II. ASSISTANCE REQUESTED. Complete by requestor.

Assistance Requested: Detail of resource shortfalls, give specific deliverables or simply state the problem.

Internal Control No.: Internal requestor reference, log, or control number, if applicable.

Initiator/Requestor: The initiator may be an individual filling out the mission assignment and making a request on behalf of the POC.

POC Name: The person coordinating reception and utilization of the requested resources. 24-hour contact information required.

State Approving Official: Signature certifies that State and local government cannot perform, nor contract for the performance, of the requested work and agrees to pay cost share if any.

III. INITIAL FEDERAL COORDINATION. Completed by the Operations Section Chief.

Action to: Operations Chief notes assigned organization. May be Emergency Support Function (ESF), internal FEMA organization, or other organization, which assigns the Action Officer.

Rest of MA used only if solution to request Federal agency to perform reimbursable work under (MA). Best solution may be internal resources or commercial vendor. Deliberate evaluation must occur before MA is completed and MA is issued.

IV. DESCRIPTION. Completed by assigned agency Action Officer.

Statement of Work: Description steps to complete the request. Include discussion of personnel, equipment; sub tasked agencies, contracts and other resources required. This can be provided as an attachment.

Assigned Agency: Agency receiving the MA from FEMA. Activities within the scope of an ESF result in an MA to the primary agency. Cite subordinate organization if applicable. Example; DOT-FAA, COE-SAD.

Project Completion Date/End Date: If end date is not clear, estimate and budget for 30 or 60 days, then re-evaluate. TBD is not acceptable; some date must be entered into this field.

Total Cost Estimate: A budget can be attached outlining personnel, equipment, contract, sub-tasked agency, travel, and other costs.

V. COORDINATION. Completed by MAM, except for Project Manager and Comptroller signatures.

Type of MA: Select only one.

Appropriation Code: Static data. Do not change. This is for information only, should not be used to report internal agency finances to Treasury.

VI. APPROVAL. Completed by State Approving Official and Federal Approving Official.

VII. OBLIGATION. Completed by Financial Specialist

Mission Assignment No.: Assigned in FEMA financial system chronologically using assigned agency acronym and two digit number.

Amendment No.: Note supplement number. For example: COE: SAD-01, Supp. 1, or DOR-08, Supp. 3.

Amount this Action: Taken from total cost estimate above.

Cumulative Amount: Cumulative amount for this MA, including amendments.

Additional Mission Statement

orphaned containers as necessary to mitigate actual and potential threats to public health and safety. Operations also to include recovery of Freon or other hazardous materials from white goods (refrigerators, freezers, stoves, ovens, washers, dryers, air conditioners), collection/disposal of e-waste and monitoring of immediate health and safety threats resulting from debris removal operations as directed by FEMA. Initial operations will be conducted in the City of Velva, Mission Assignment Task Orders may be issued for other areas in McHenry County, as directed by FEMA. Firearms and ammunition will be collected by local law enforcement. EPA will coordinate environmental assessments and activities involving contaminated debris with USACE as appropriate. Actions may include support by any special teams requested by the FOSC, as well as special technical assets of all ESF #10 Support Agencies.

Based on:

\$1,500/home x 70 homes = \$105,000

Total Cost of MA for the City of Velva is estimated \$105,000

Purchases and equipment are not authorized under this mission assignment without written approval of the Operations Section Chief. All accountable property must be returned to FEMA.

Due to the extreme hotel lodging shortage in the Minot, ND area, FEMA employees and other federal agencies operating under the direction of a Mission Assignment are prohibited from accessing those resources until survivors are out of shelters, unless an exception is granted by the Federal Coordinating Officer. Employees deployed may be housed in base camps and/or other group housing accommodations.
