

FIELDS for ArcGIS 10

USA EPA Region 5
Superfund Division
FIELDS team
http://www.epaossc.org/fields_team

I. Installing

1. If ArcGIS is open, close it.
2. Double click on the file *Install_Fields_ArcGIS10*
3. A window will pop up to confirm installation. Click on **Install Add-In**
4. Open ArcGIS, and the new toolbar should appear. If not, click on
Customize->Toolbars->FIELDS for ArcGIS 10 Toolbar

II. Uninstalling

1. Open ArcGIS.
2. Click on *Customize->Add-In Manager*
3. In the Add-In Manager window, highlight **Fields_AddIn** and click **Delete this Add-In**
4. Close ArcGIS
5. Double click on the file *Uninstall_Fields_ArcGIS10*
