

APPENDIX F

Drum and Container Summaries

**TABLE 3.7-1
SUMMARY OF DRUMS AND CONTAINERS**

Location	1 gallon	5 gallon	18-20 gallon	30 gallon	55 gallon	Type	Fullness	Content	Comments
North end of building		1				P	Full	Hydraulic Oil	Based on labeling
North end of building		1				P	Partial	Interior Roof Coating	Based on labeling
North end of building		4				M	Full	Foundation Coating	Based on labeling
North end of building					1	P	Partial	Trash	Based on visual observation
North end of building		1				P	Full	Driveway Sealer	Based on labeling
North end of building							Full	Concrete Mix	One 80 lb bag
North end of building	3					P	Partial	Antifreeze	Based on labeling
North end of building	2					P	Full	Water plug cement	Based on labeling
Office		1				P	Partial	Hydraulic Oil	Based on labeling
Service garage		2		1		P	Partial	Used Oil	Based on visual observation
Service garage	1					P	Partial	Antifreeze	Based on labeling
Service garage	2					P	Full	Antifreeze	Based on labeling
Service garage	1					P	Full	Bleach	Based on labeling
Service garage		2				M	Full	General solvent	Based on labeling
Service garage		1				P	Partial	Hydraulic Oil	Based on labeling
Service garage				1	1	P	Full	Trash	Based on visual observation
Service garage		1				P	Partial	Lacquer thinner	Based on labeling
Service garage					1	M	Full	Engine oil	Based on labeling
Service garage		1				M	Partial	Parts cleaner	Based on labeling
Service garage	1					P	Partial	Rubber/tire lubricant	Based on labeling
Service garage			1			M	Full	Parts cleaner	Parts washer station
Service garage	2					P	Full	Unknown	Antifreeze containing with hand written label "junk" or "used"
Service garage	1					P	Full	Used Oil	Open drain pan
Service garage	1					P	Full	Windshield wash	Based on labeling
Service garage		2				P	Full	Used Oil	One is a portable drain collection unit
Outside east of building					10	M	Full	Unknown	No labeling
Outside east of building		1				P	Full	Used Oil	Based on visual observation
Outside east of building					2	M	Full	Used Oil	Based on visual observation
Outside east of building					2	M	Partial	Unknown	No labeling
Outside east of building				1	8	P	Full	Unknown	No labeling
Outside east of building		2			2	M	Residual	Unknown	No labeling
Outside east of building			1			P	Residual	Used Oil	Based on visual observation
Outside east of building			1			P	Full	Used Oil	Based on visual observation
Outside east of building		1				P	Full	Lubricant	Based on labeling
Outside east of building		4				P	Residual	Used Oil	Based on visual observation
Outside east of building		1				P	Partial	Hydraulic transmission fluid	Based on labeling
Outside east of building		2				P	Full	Motor oil	Based on labeling
Outside east of building				1	2	P	Partial	Used Oil	Based on visual observation
Outside east of building					1	M	Residual	Unknown	No labeling

**TABLE 3.7-1
SUMMARY OF DRUMS AND CONTAINERS**

Location	1 gallon	5 gallon	18-20 gallon	30 gallon	55 gallon	Type	Fullness	Content	Comments
Outside east of building					4	P	Partial	Unknown	No labeling
Outside east of building					1	M	Residual	Hydraulic oil	Based on labeling
Outside east of building			1			P	Residual	Unknown	No labeling
Outside east of building					1	M	Unknown	Unknown	No visible labeling, limited access to drum
Outside east of building		6			3	P	Unknown	Unknown	No visible labeling, limited access to drums
Outside northwest				2		P	Full	Unknown	No labeling
Outside west central		1				M	Residual	Waterproofing	Based on labeling
Outside west central		1				P	Full	Lubricant	Based on labeling
Outside west central		1				P	Partial	Unknown	No labeling
Outside west central				1		M	Residual	Lubricant	Based on labeling
Outside west central				1		M	Full	Lubricant	Based on labeling
Outside west central				1		M	Partial	ZEP	Based on labeling
Outside west central		1				P	Full	Hydraulic Oil	Based on labeling
Outside west central					2	M	Partial	Unknown	No labeling
Outside west central					1	M	Residual	Motor oil	Based on labeling
Outside west central					6	M	Partial-Full	Unknown	No labeling
Outside west central					1	P	Full	Unknown	No labeling
Outside west central				1		M	Partial	Lubricant	Based on labeling
Outside west central					1	M	Partial	Used Oil	Based on visual observation
Outside west central					1	M	Residual	ZEP	Based on labeling
Outside west central					1	M	Partial	Motor oil	Based on labeling
Large shed					1	M	Partial	Motor oil	Based on labeling
Large shed					4	P	Partial	Unknown	No labeling
Large shed					1	P	Partial	Trash	Based on visual observation
Large shed	1					P	Full	Muriatic Acid	Based on labeling
Large shed	1					P	Full	Unknown	No labeling
Large shed	1					M	Residual	Motor oil	Based on labeling
Large shed		1				P	Residual	Degreaser	Based on labeling
Large shed	1					G	Partial	Unknown	No labeling
Large shed					1	M	Partial	Racing fuels product	Based on labeling
Large shed					1	M	Partial	Hydraulic Oil	Based on hand written label
Large shed					1	M	Unknown	Racing fuels product	Limited access to drum
Large shed					1	P	Unknown	Unknown	No labeling, limited access to drum
Large shed					1	M	Partial	Antifreeze	Based on labeling
Large shed	10					M	Partial-Full	Paint	Based on labeling
Large shed					1	P	Residual	Unknown	No labeling

P = Poly or Plastic
M = Metal
G = Glass

TABLE 3.7-2
SUMMARY OF EMPTY DRUMS AND CONTAINERS

Location	5 gallon	18-20 gallon	30 gallon	55 gallon	Type	Comments
North end of building	1				P	"Kerosene" hand written labeling-portable gas can
Service garage	3				P	Gear oil on label
Service garage	2		1	2	P	No label
Service garage	2				P	Hydraulic oil
Service garage	1				P	Skim coat
Outside east of building		1			P	ATF on label
Outside east of building	17				P	Various labeling
Outside east of building				1	M	Racing fuel label
Outside east of building				1	M	No label
Outside northwest				1	P	No label
Outside northwest				1	M	No label
Outside west central	1				P	Hydraulic oil label
Out				2	M	No label
Outside west central				1	P	No label
Inside large shed				7	M	Various labeling
Embankment	5					Crushed, no labeling
Field				2	M	No label
Total	32	1	1	18		

P = Plastic or Poly

M = Metal
