**Subject: ASAOC for Removal Action: Vapor Intrusion Mitigation Work Plan Approval  
South Dayton Dump and Landfill Site, Moraine, Ohio**

Gentlemen:

The United States Environmental Protection Agency (U.S. EPA) has reviewed the Vapor Intrusion Mitigation Work Plan (dated April 29, 2013) for the South Dayton Dump and Landfill Site. The Work Plan was required pursuant to the April 5, 2013 Administrative Settlement Agreement and Order on Consent (ASAOC). Pursuant to Section VIII of the ASAOC, the U.S. EPA submits conditional approval for Vapor Intrusion Mitigation Work Plan based on enclosed U.S. EPA modifications. Please submit 5 CDs and one final hard copy of the approved Work Plan within 10 business days.

If you have any questions or comments, please contact me at 513.260.7849.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve L. Renninger", is located below the "Sincerely," text.
