**Subject: UAO for Removal Action: Vapor Intrusion Mitigation Work Plan Approval
South Dayton Dump and Landfill Site, Moraine, Ohio**

Mr. Crago and Ms. Beach:

The United States Environmental Protection Agency (EPA) has reviewed the Vapor Intrusion Mitigation Work Plan (dated May 15, 2013) for the South Dayton Dump and Landfill Site. The Work Plan was required pursuant to the March 22, 2013 Unilateral Administrative Order (UAO). Pursuant to Section V of the UAO, the EPA submits conditional approval for Vapor Intrusion Mitigation Work Plan based on the enclosed EPA modifications. Please submit a final copy of the approved Work Plan within 7 business days, including one hard copy and three CD-ROM copies. Additionally, please send CD copies to EPA RPM Leslie Patterson and Ohio EPA Laura Marshall.

If you have any questions or comments, please contact me at 513-569-7539.

Sincerely,

A handwritten signature in black ink, appearing to read "Stu. Renninger", is written over a horizontal line.
