

**Particulates in Air, North Location, 7/10/02
(background - removal operations started
7/23/02)**

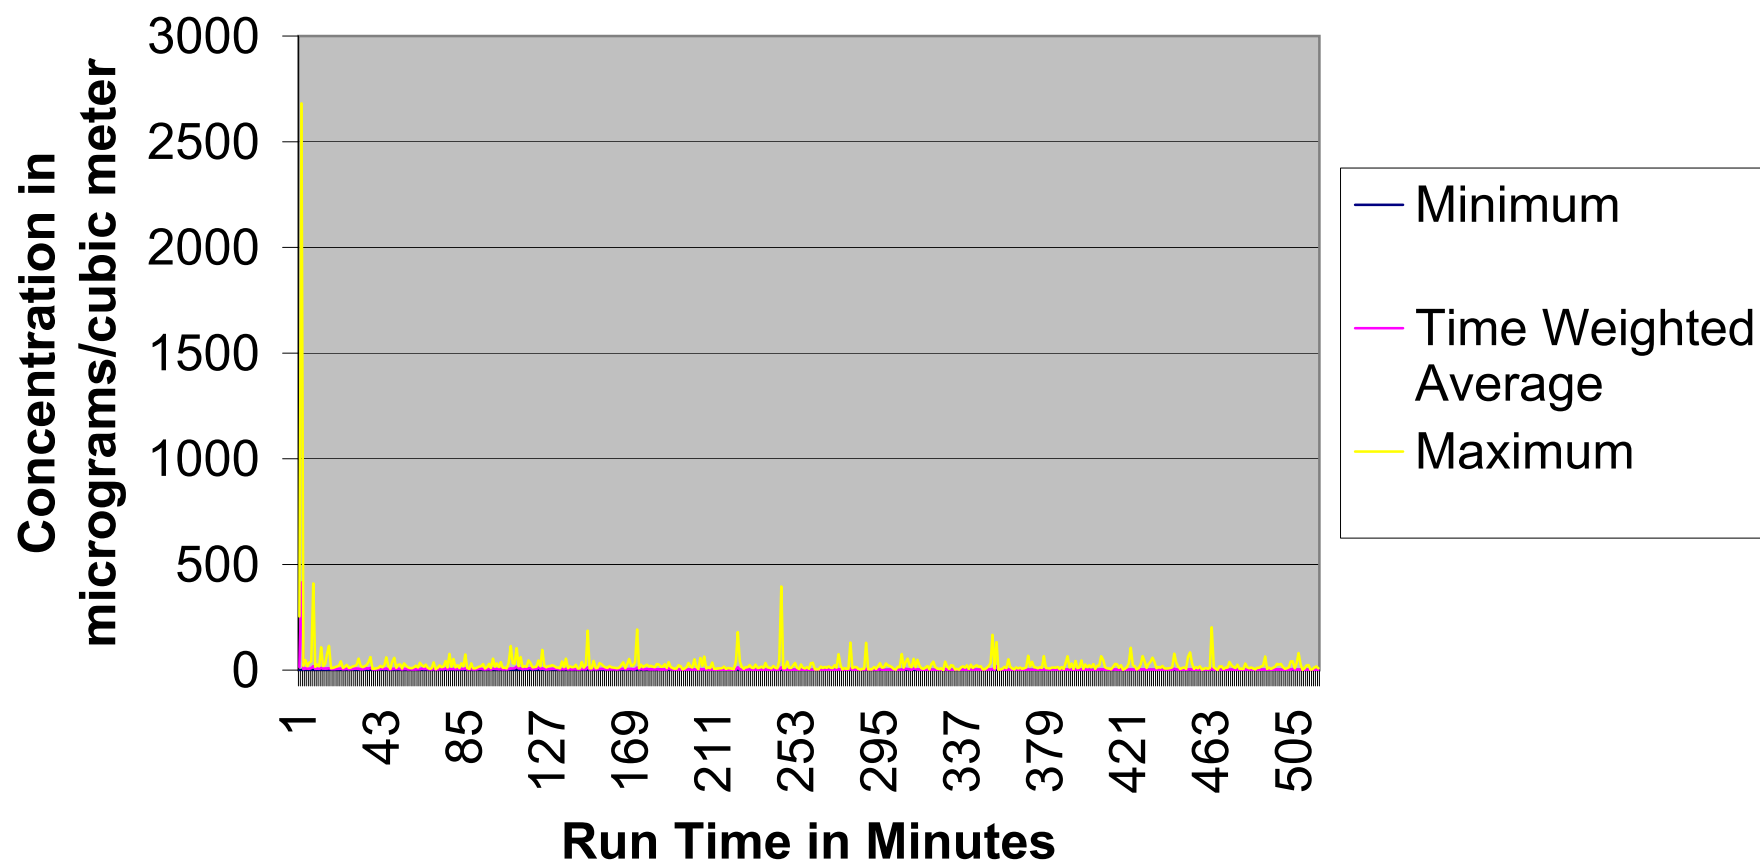

Particulates in Air, Northwest Location, 7/10/02 (background - removal operations started on 7/23/02)

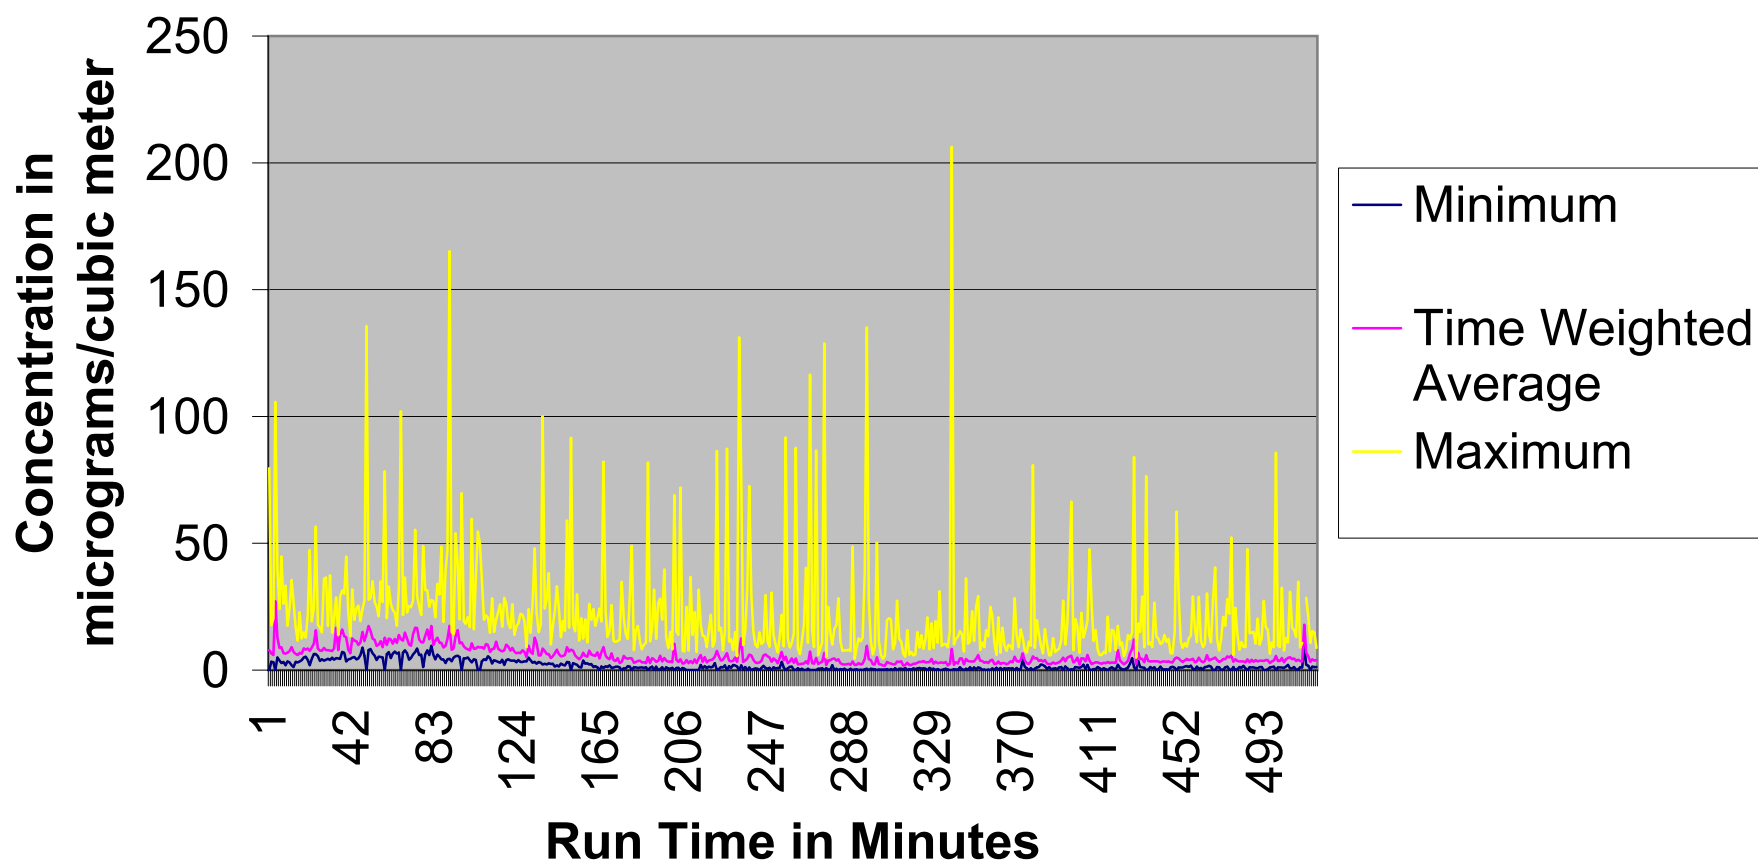

**Particulates in Air, East Location, 7/10/02
(background - removal operations started
7/23/02)**

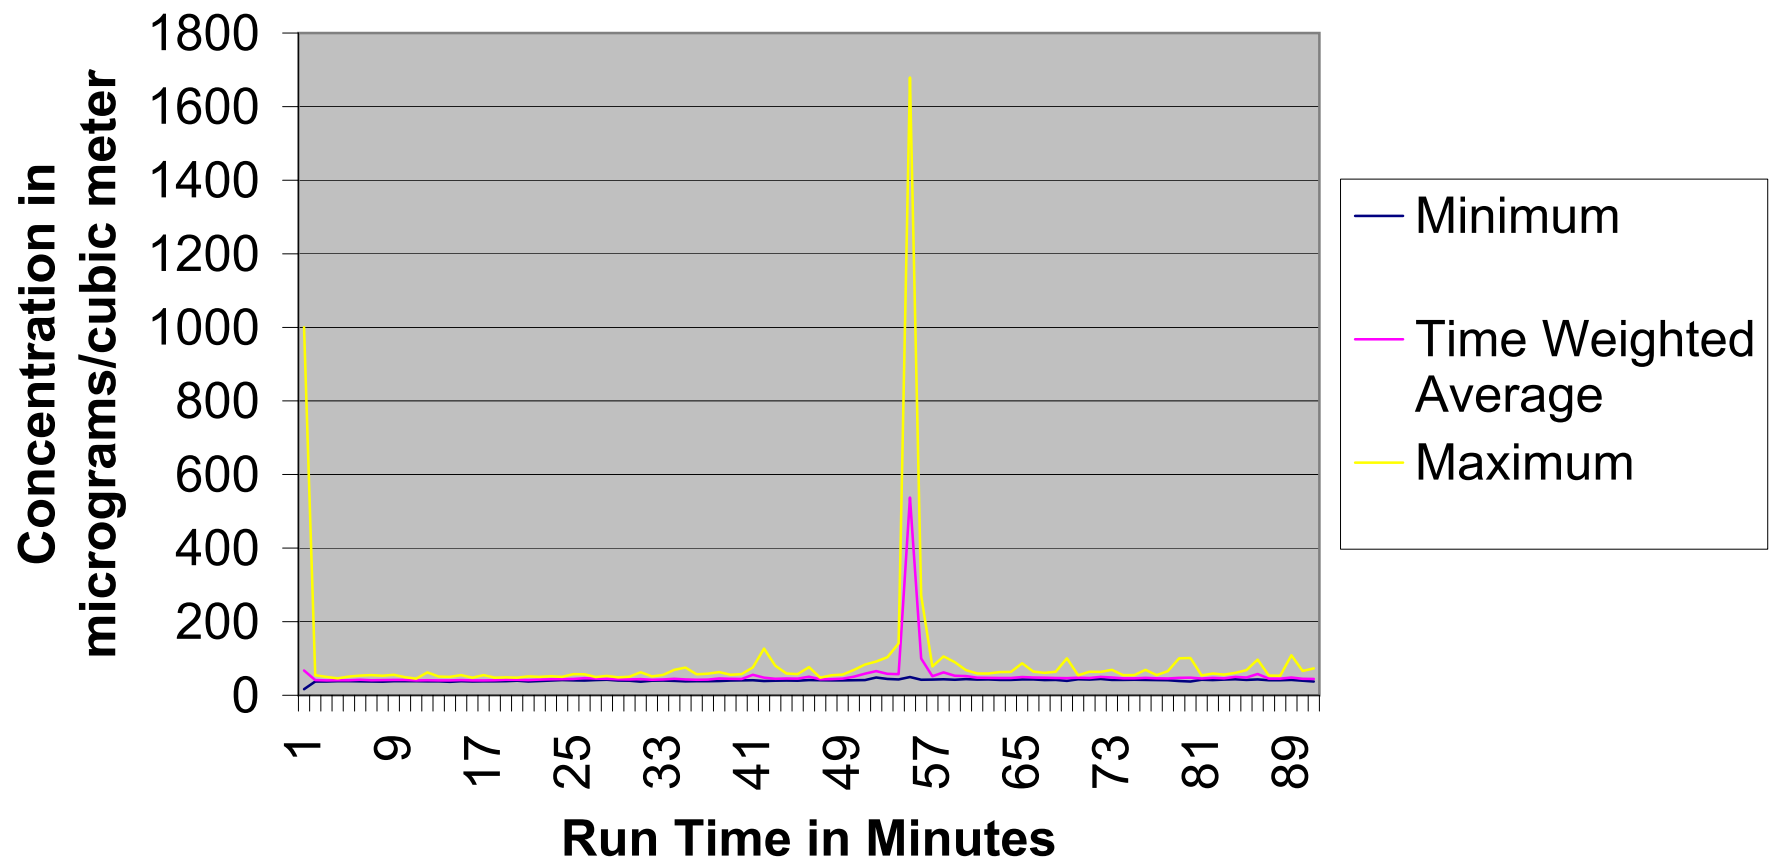

Particulates in Air, School, 7/10/02
(background - removal operations started on
7/23/02)

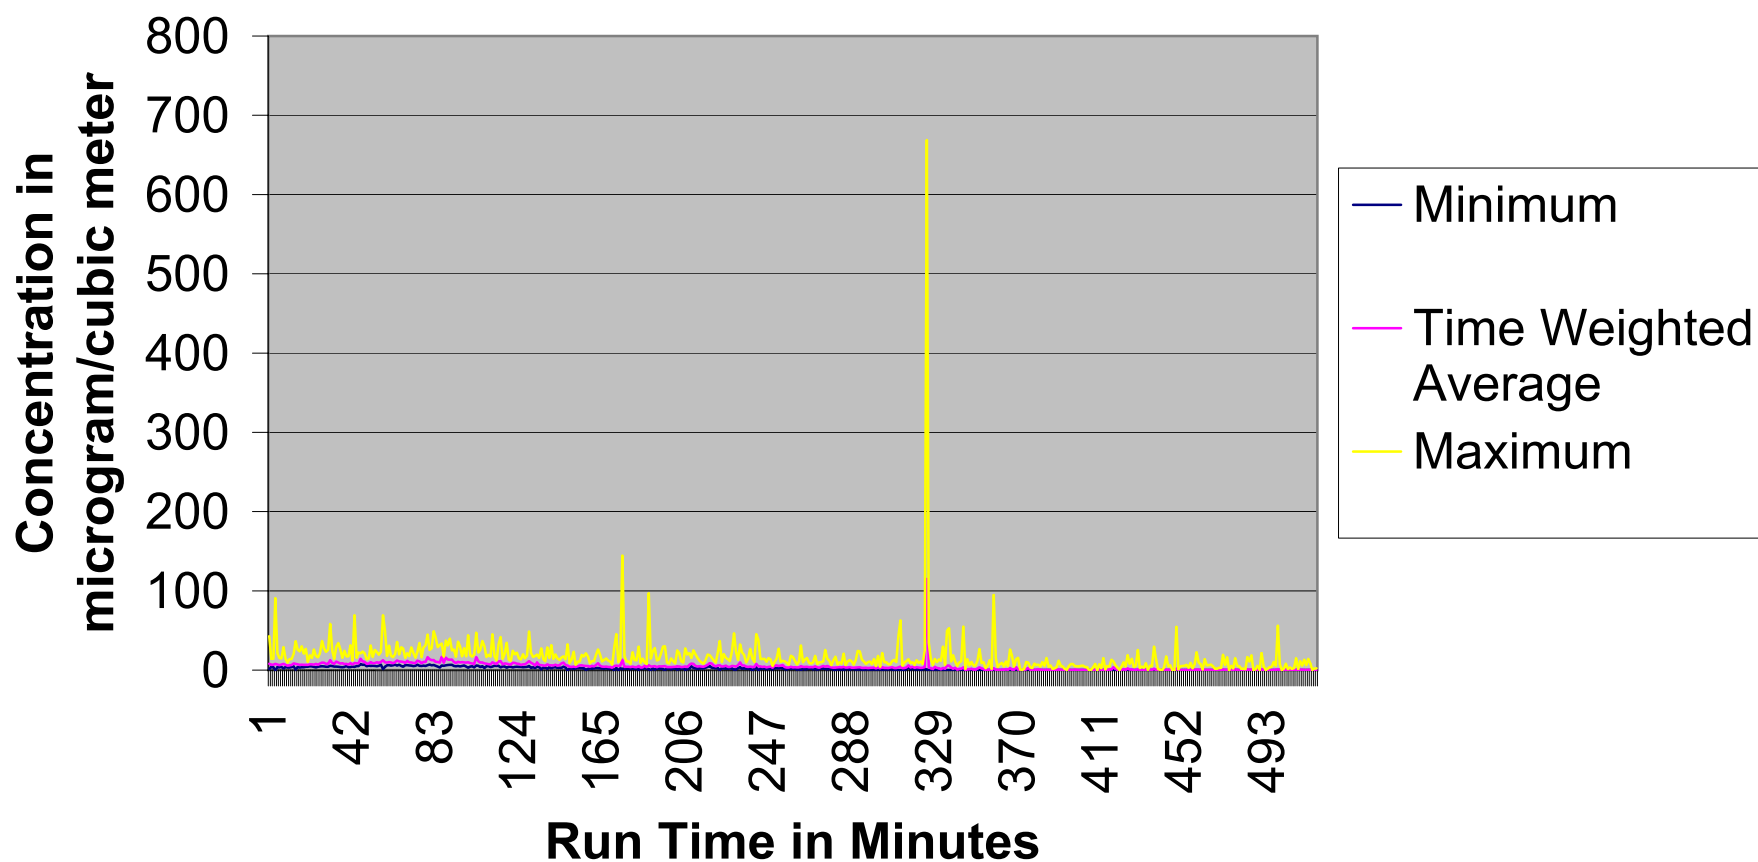

Particulates in Air, North Location, 7/12/02 (background - removal operations started 7/23/02)

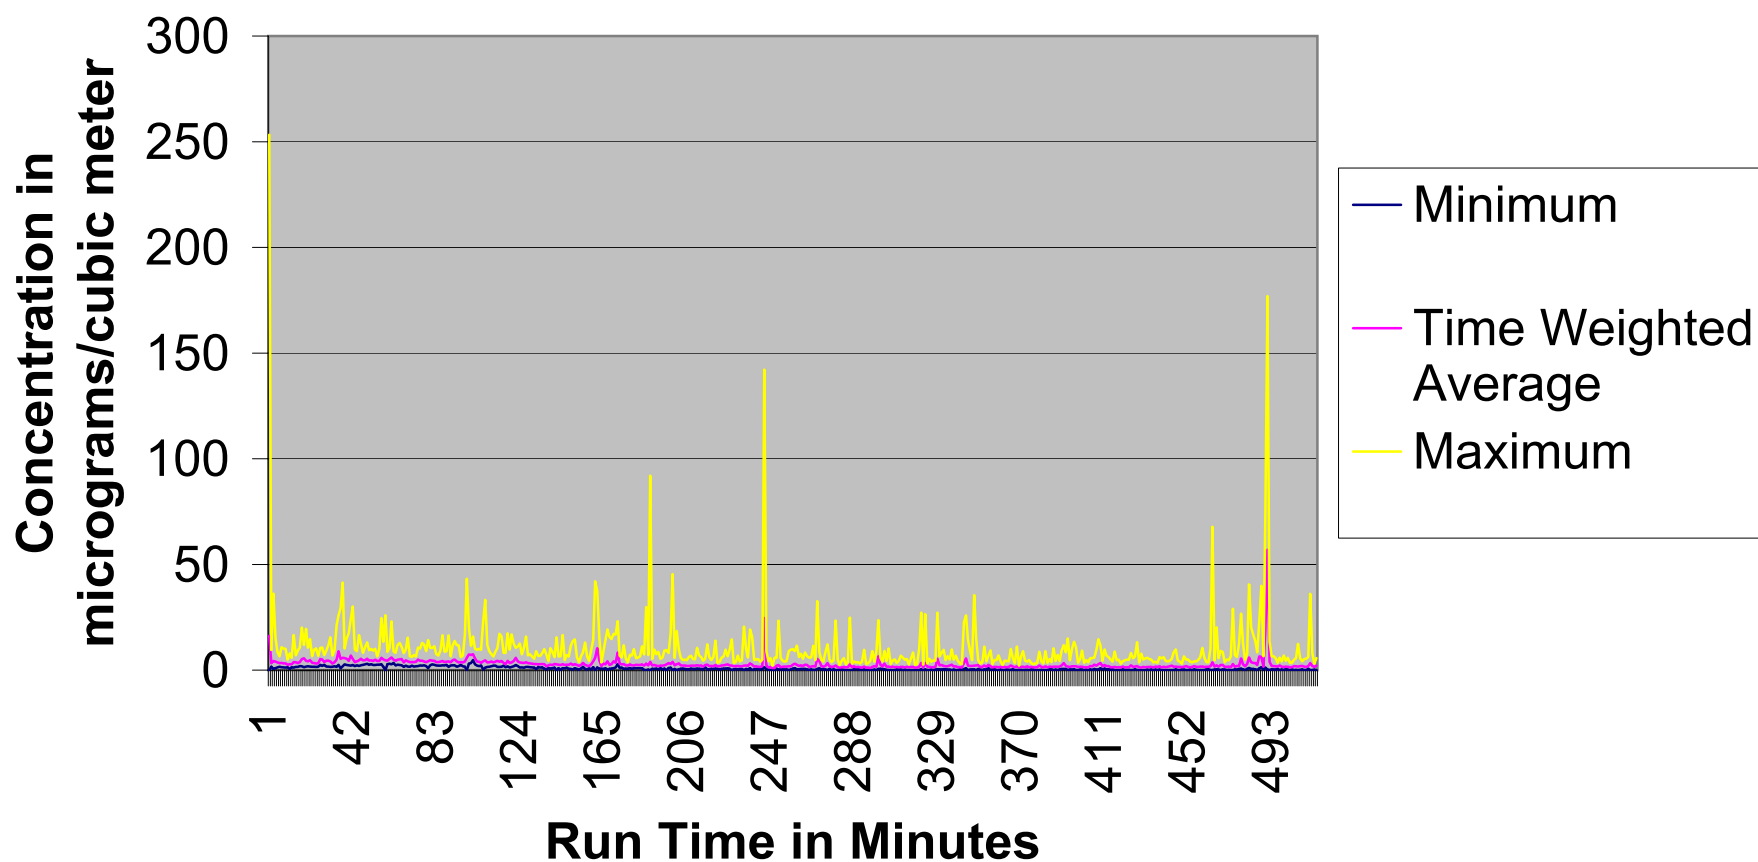

Particulates in Air, Northwest Location, 7/12/02 (background - removal operations started 7/23/02)

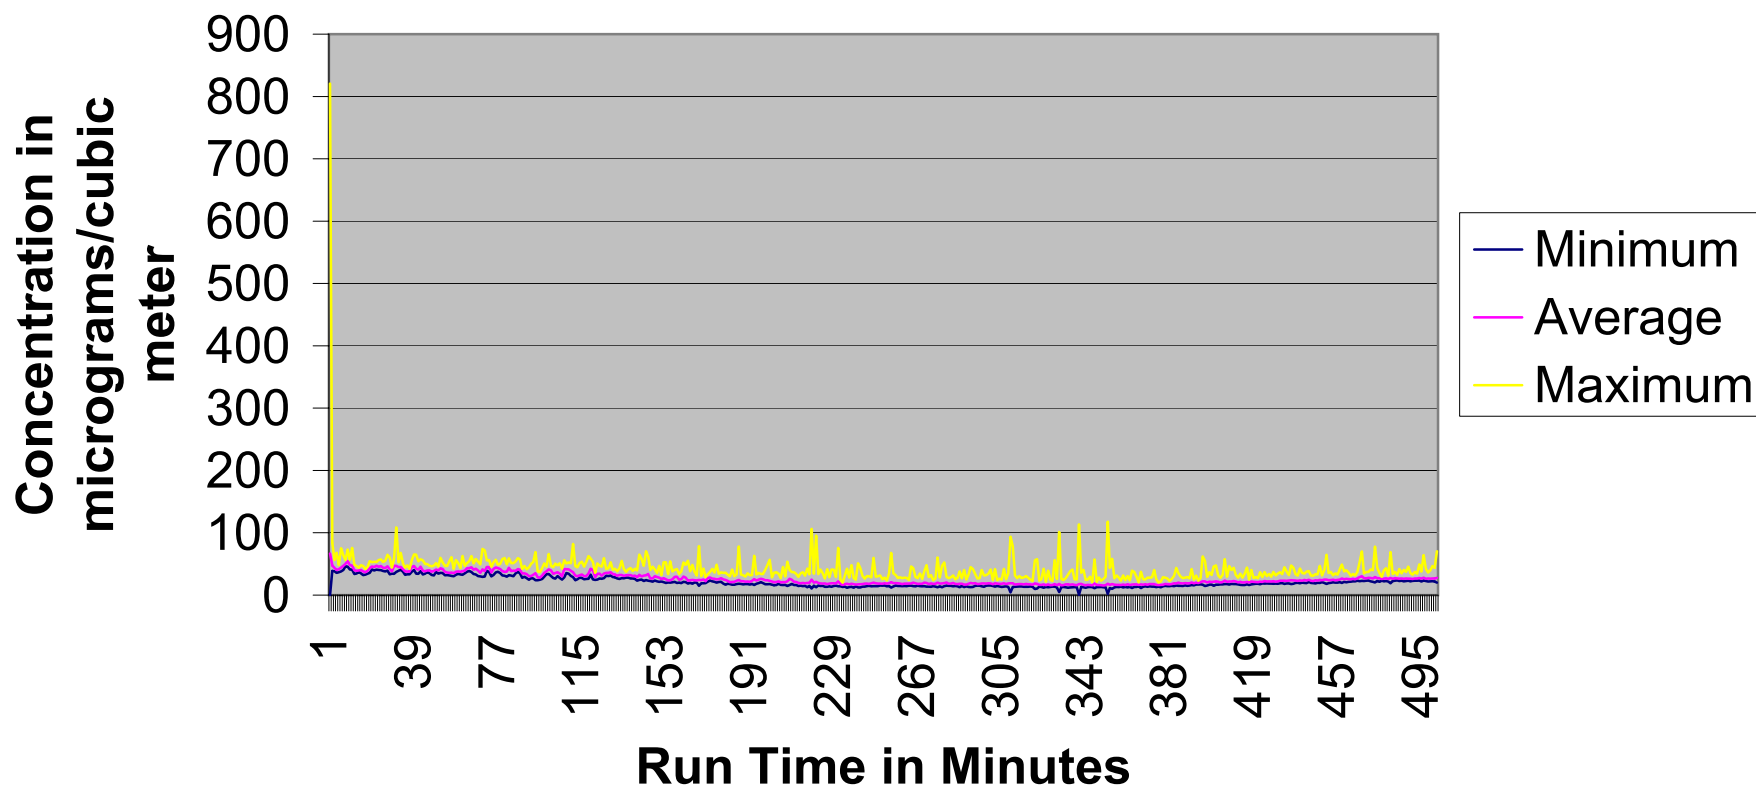

**Particulates in Air, East Location, 7/12/02
(background - removal operations started
7/12/02)**

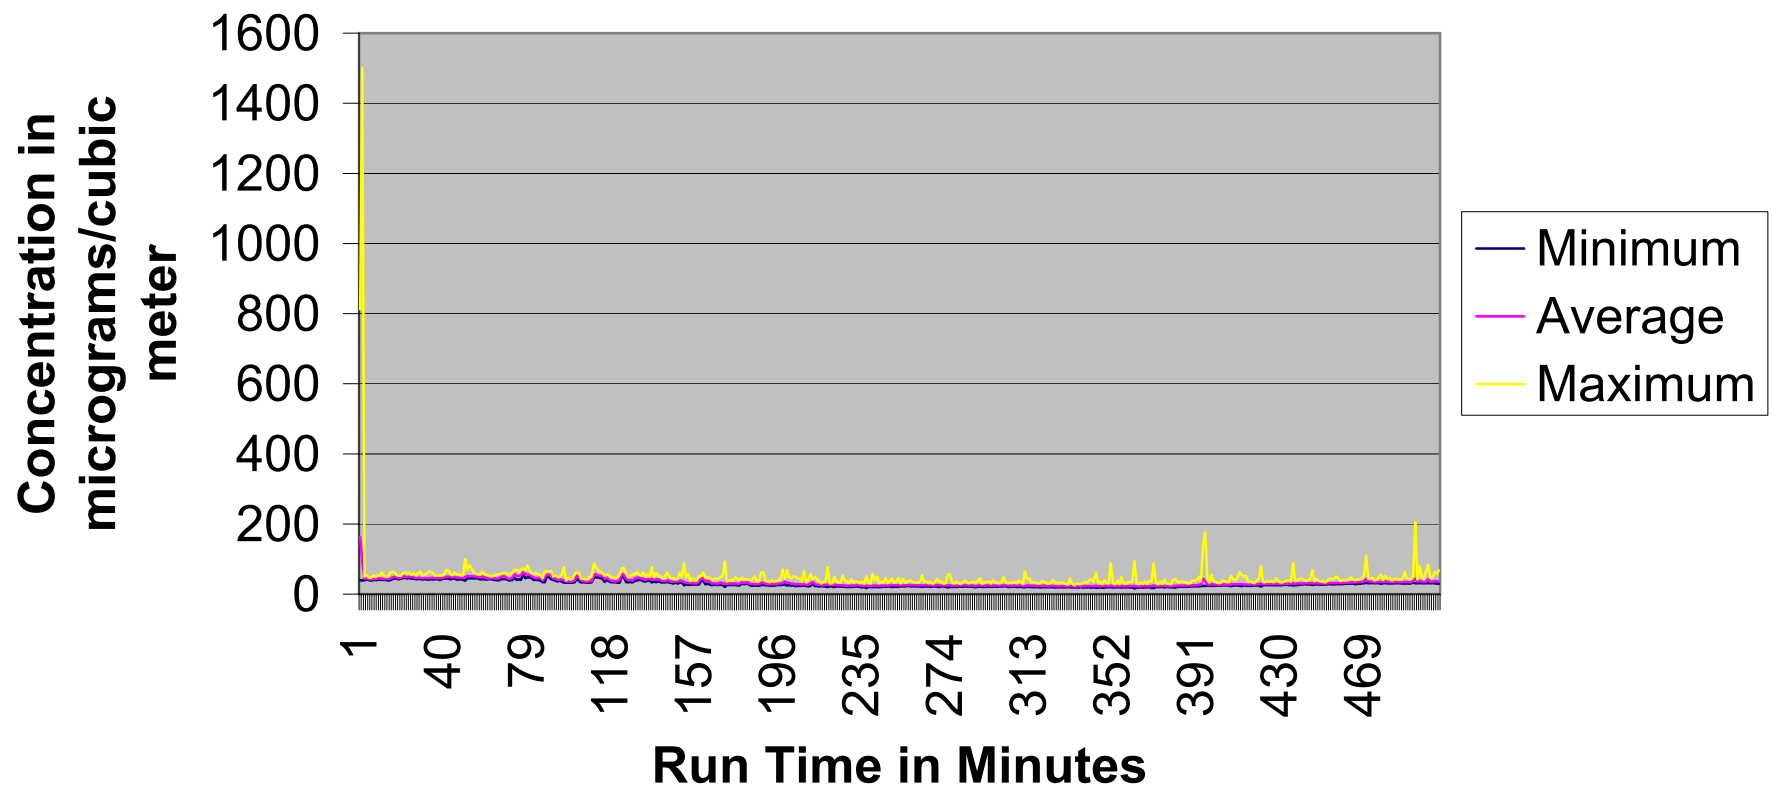

Particulates in Air, South Location, 7/12/02 (background - removal operations started 7/12/02)

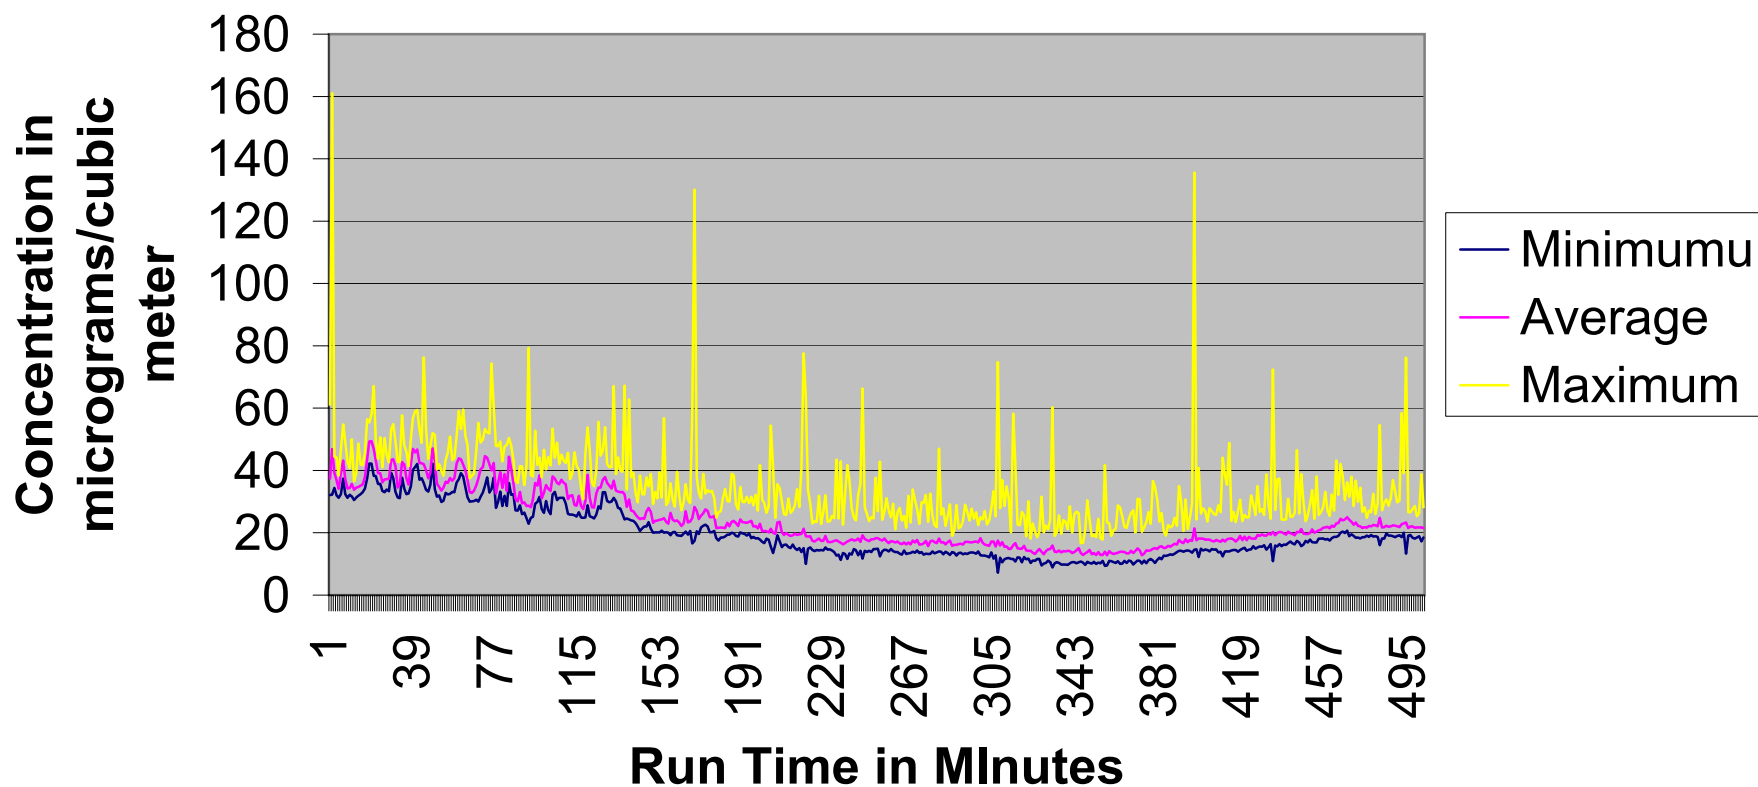

**Particulates in Air, North Location (upwind),
7/15/02
(background - removal operations started
7/23/02)**

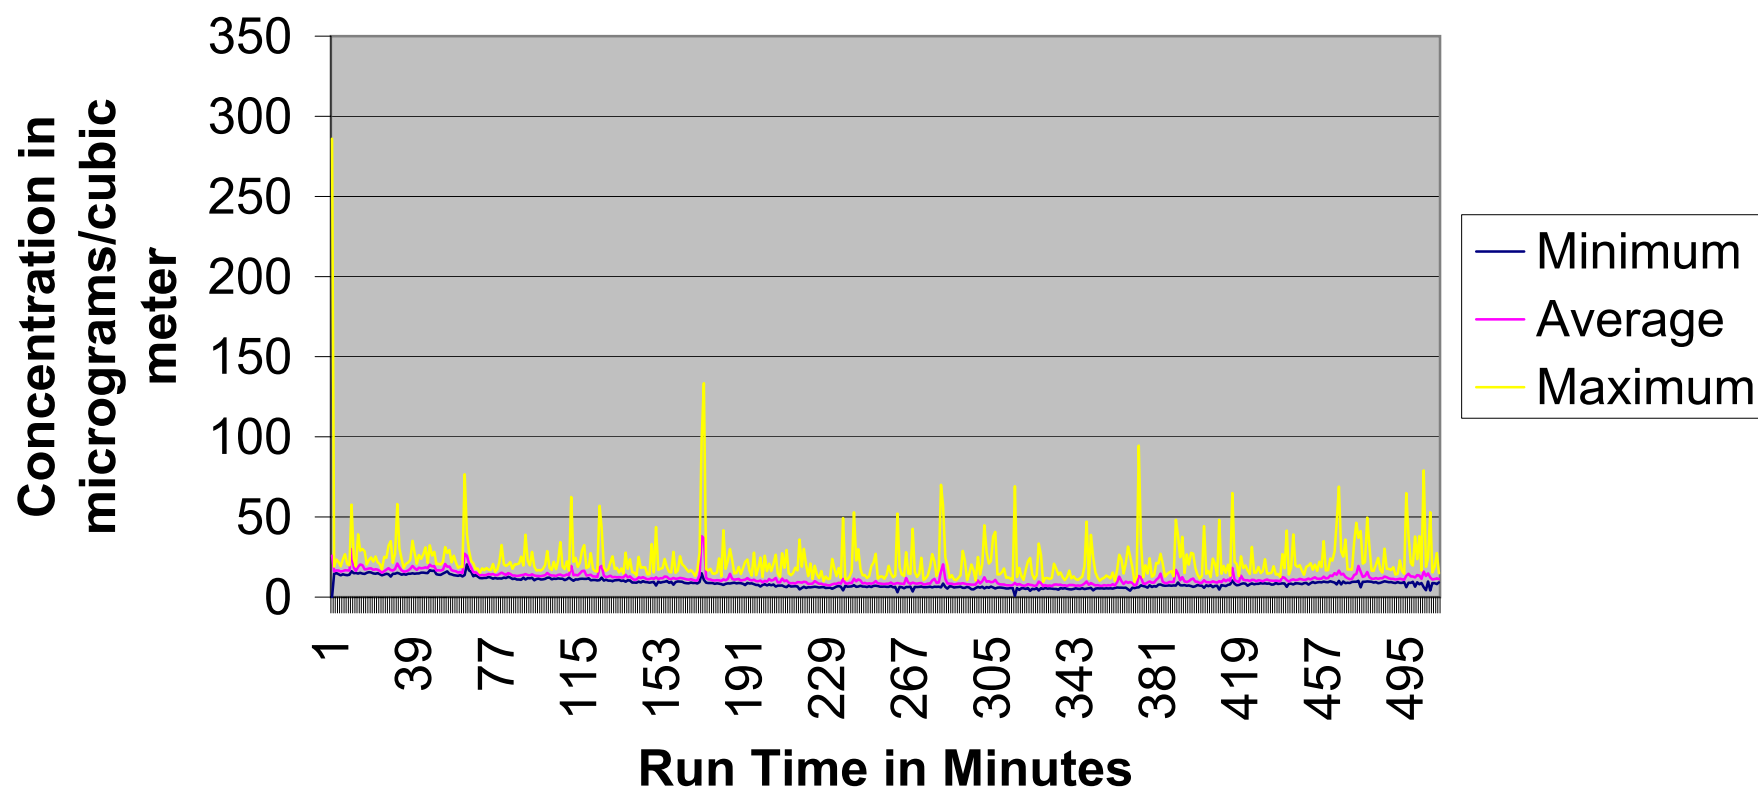

**Particulates in Air, Northwest Location (upwind),
7/15/02
(background - removal operations started
7/23/02)**

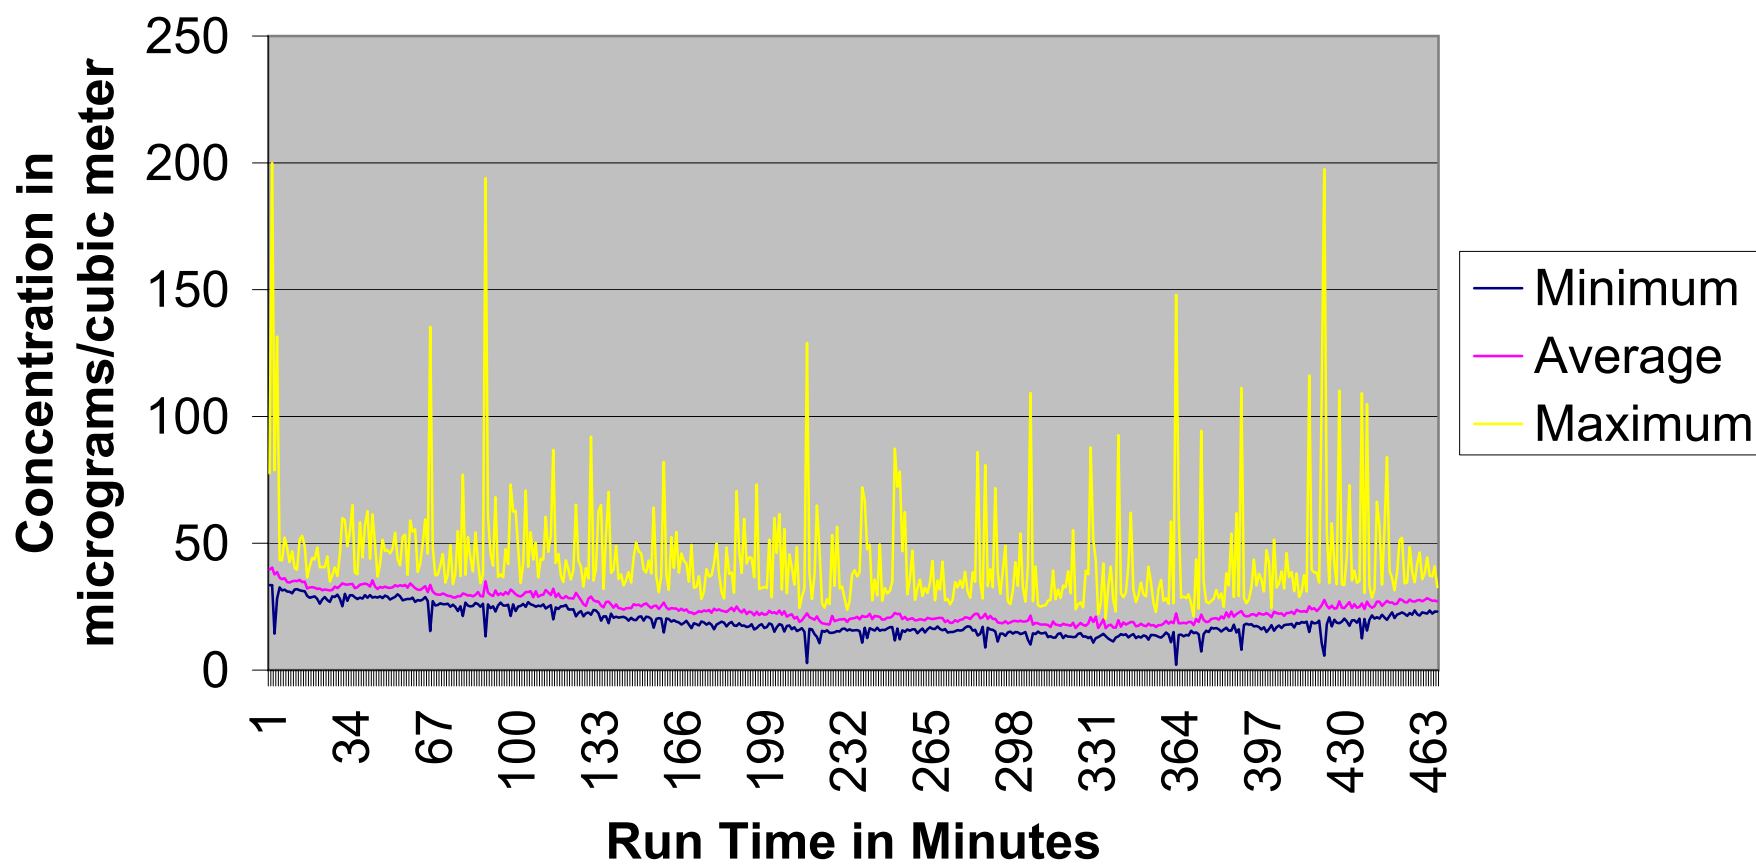

**Particulates in Air, East Location (downwind),
7/15/02
(background - removal operations started
7/23/02)**

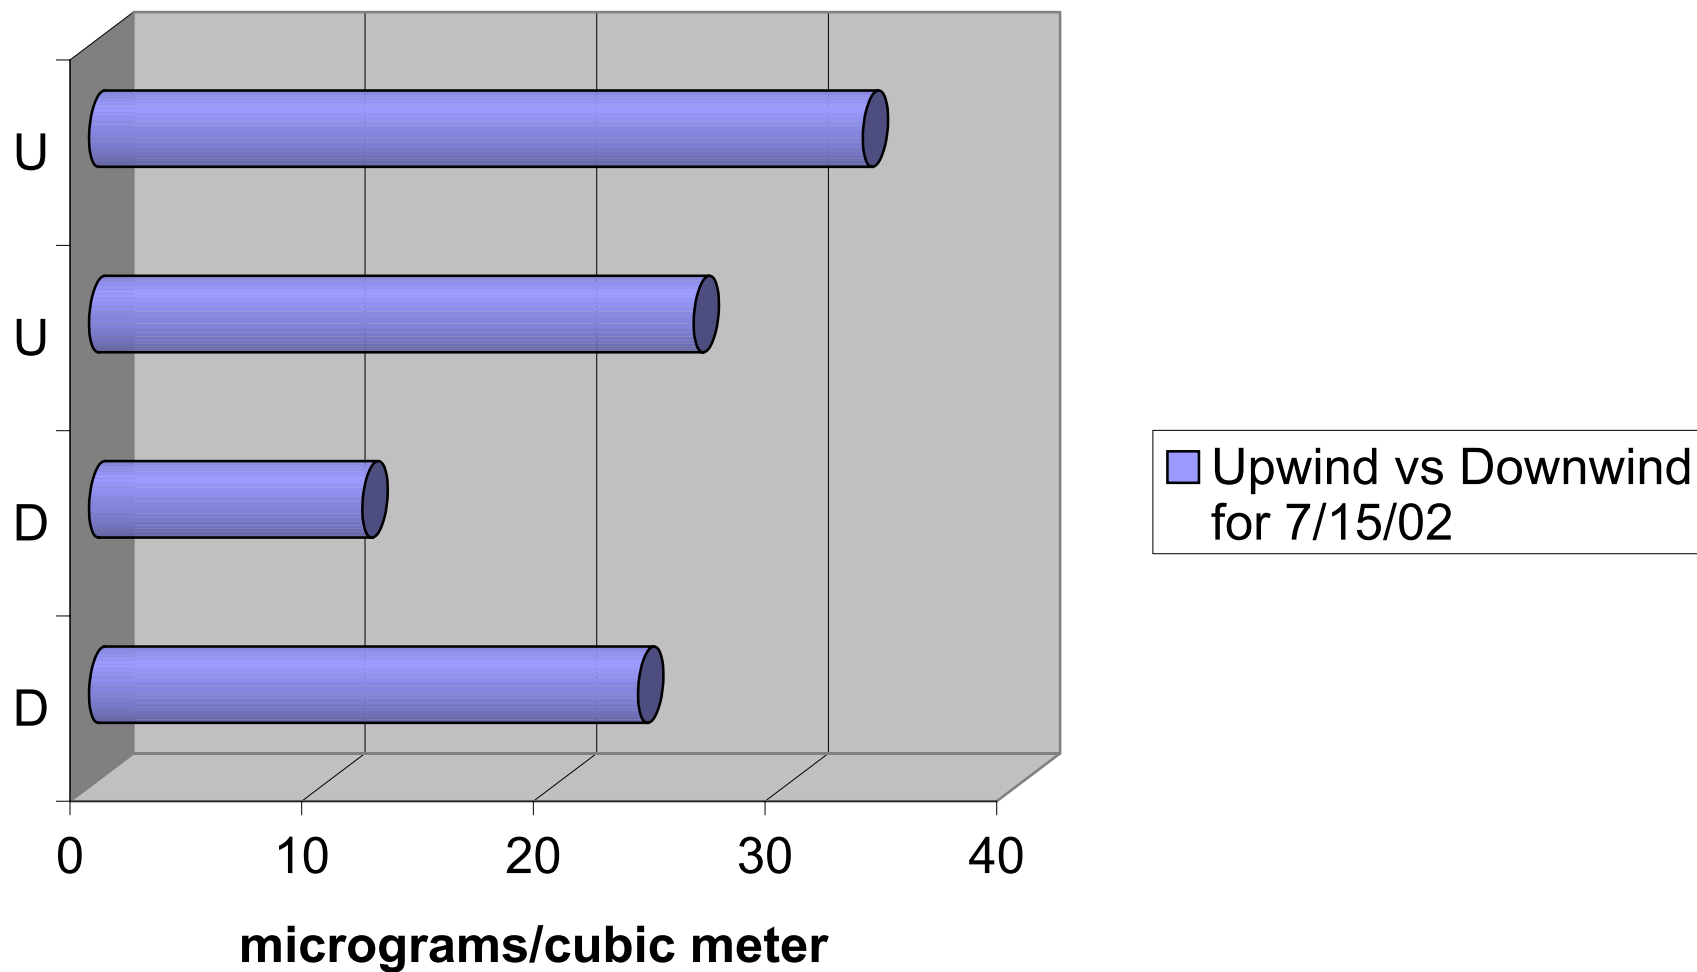

**Particulates in Air, South Location (downwind),
7/15/02
(background - removal operations started
7/23/02)**

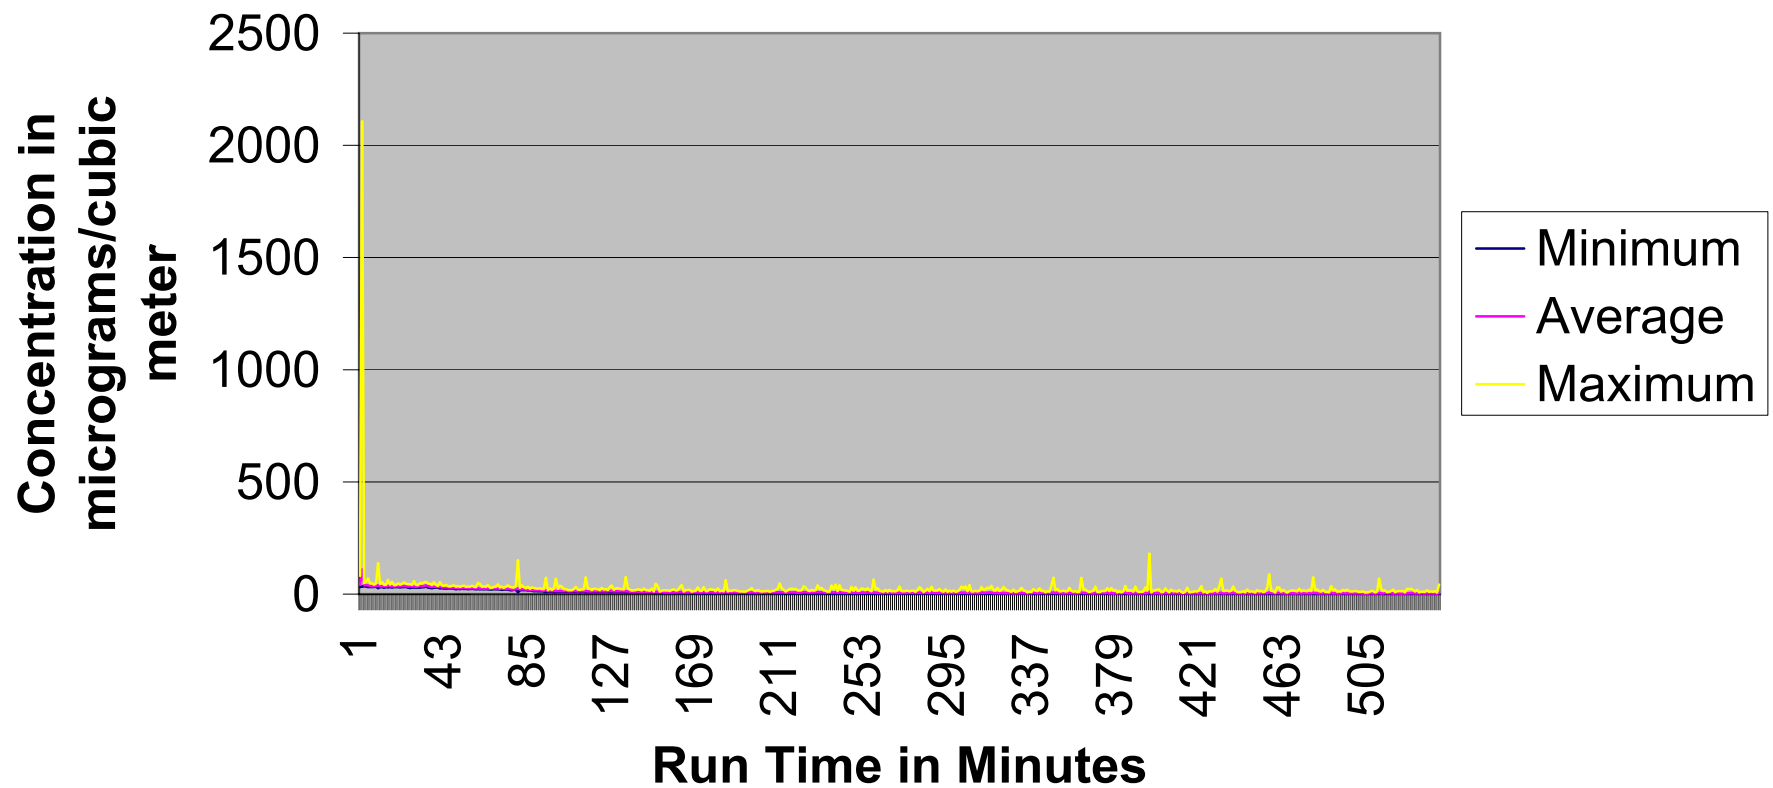

**Particulates in Air, School, 7/15/02
(background - removal operations started
7/23/02)**

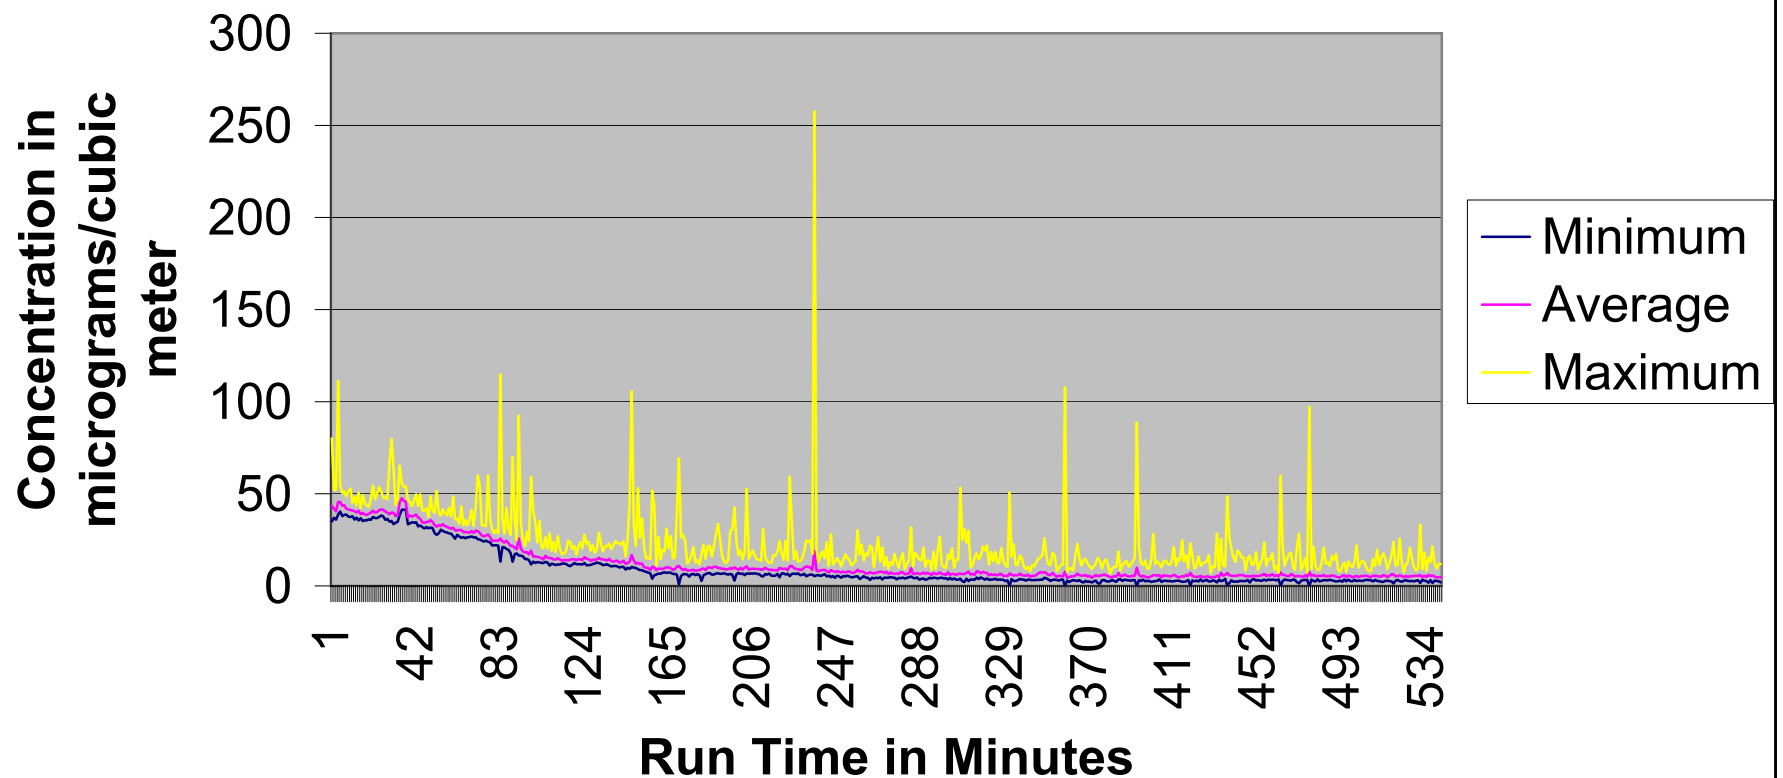

Daily Overall Average Particle Concentrations (background samples)

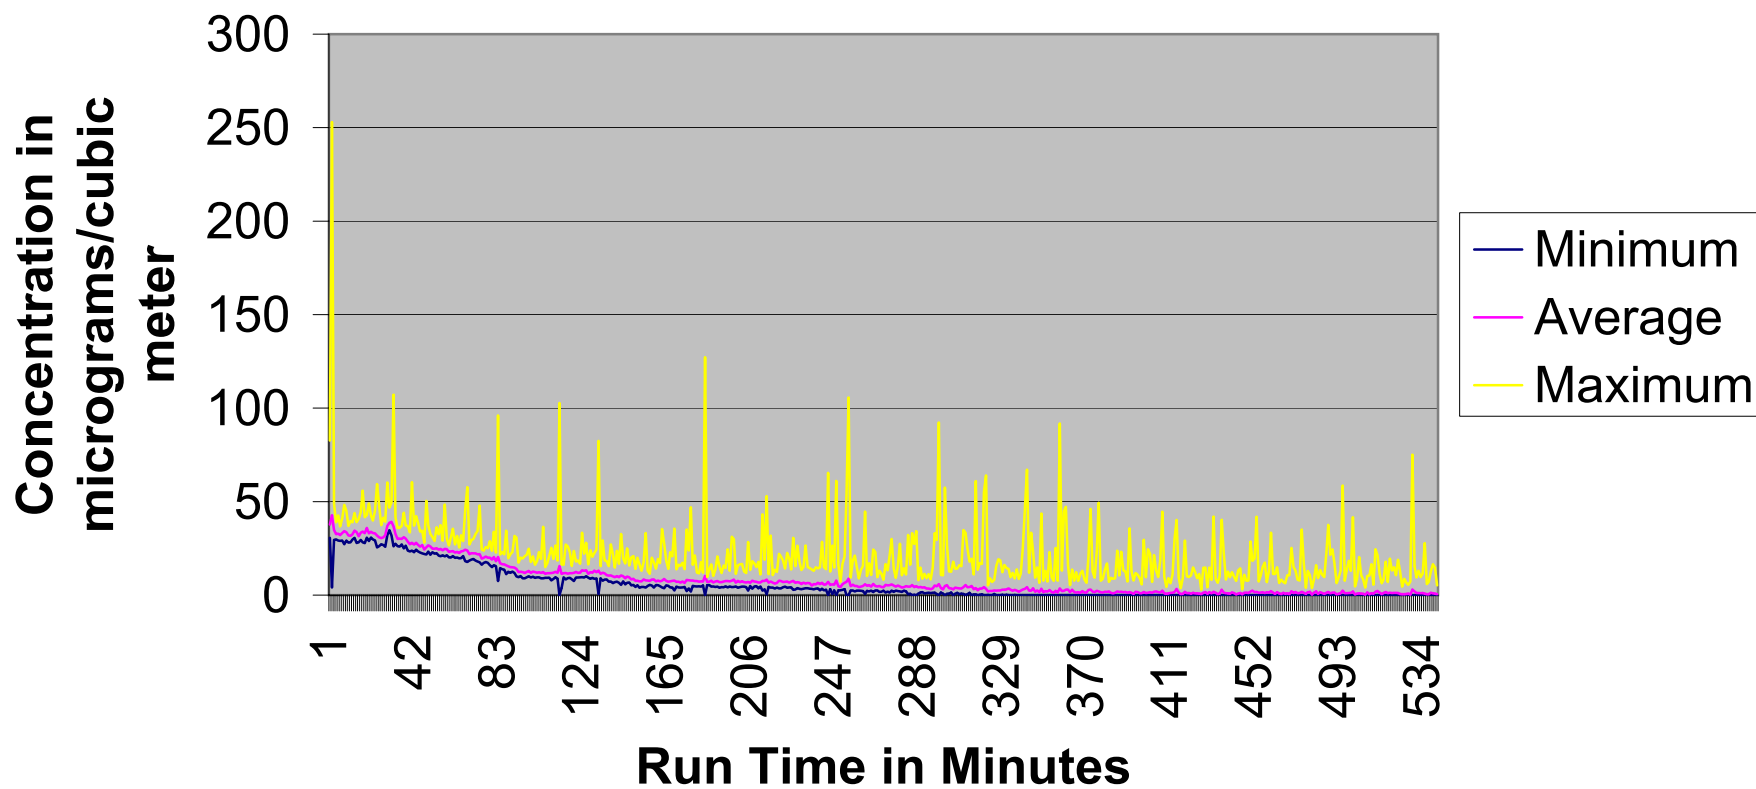

**Particulates in Air, North Location (upwind),
7/16/02
(background - removal operations started
7/23/02)**

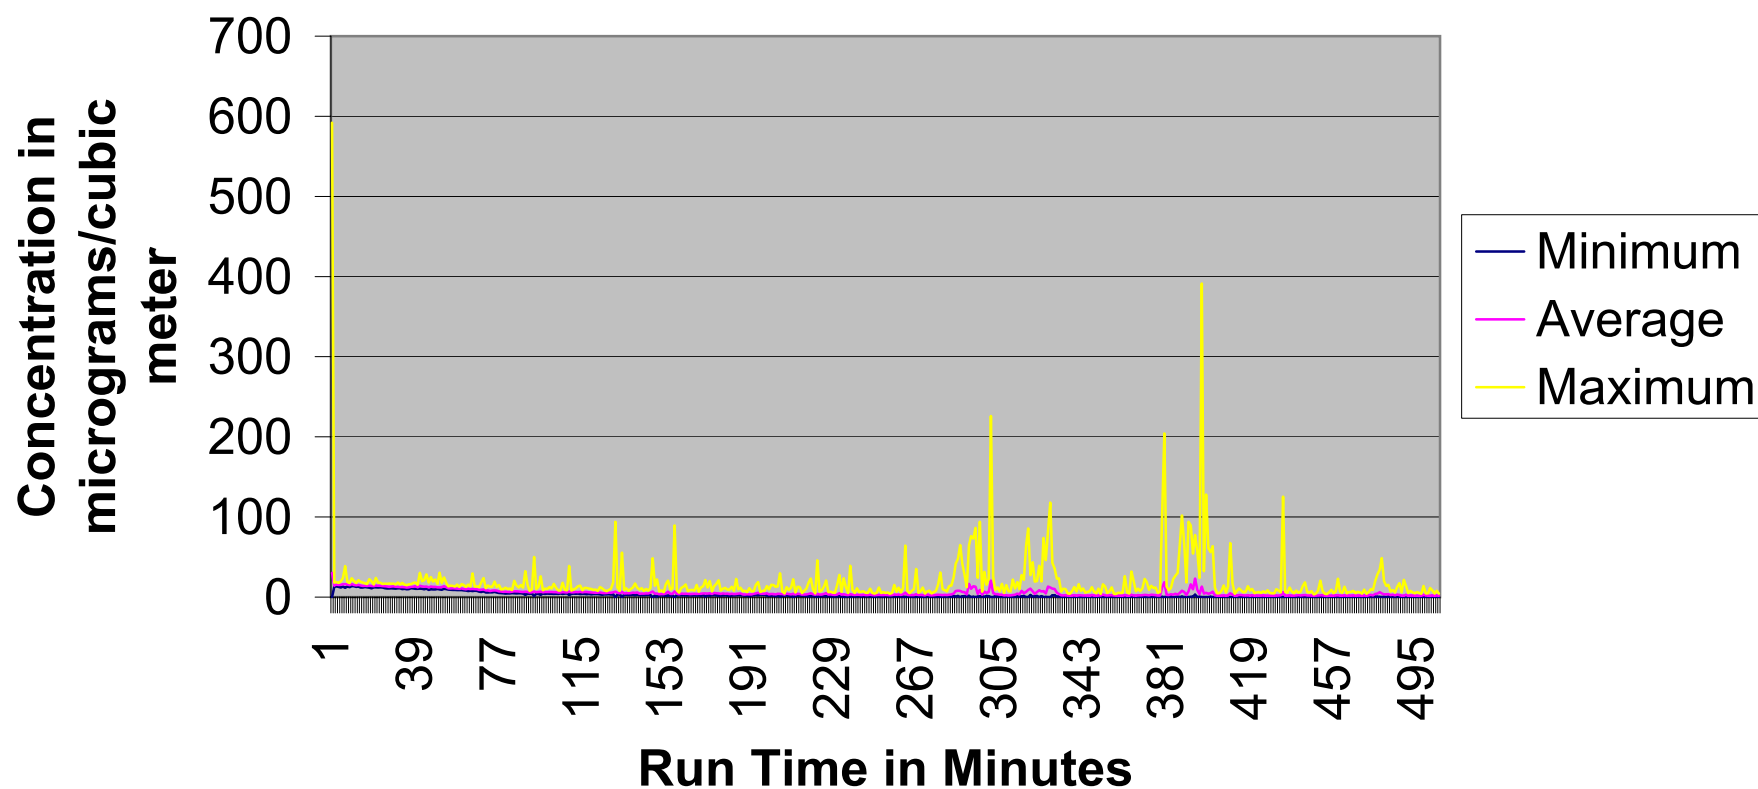

**Particulates in Air, Northwest Location (upwind),
7/16/02
(background - removal operations started
7/23/02)**

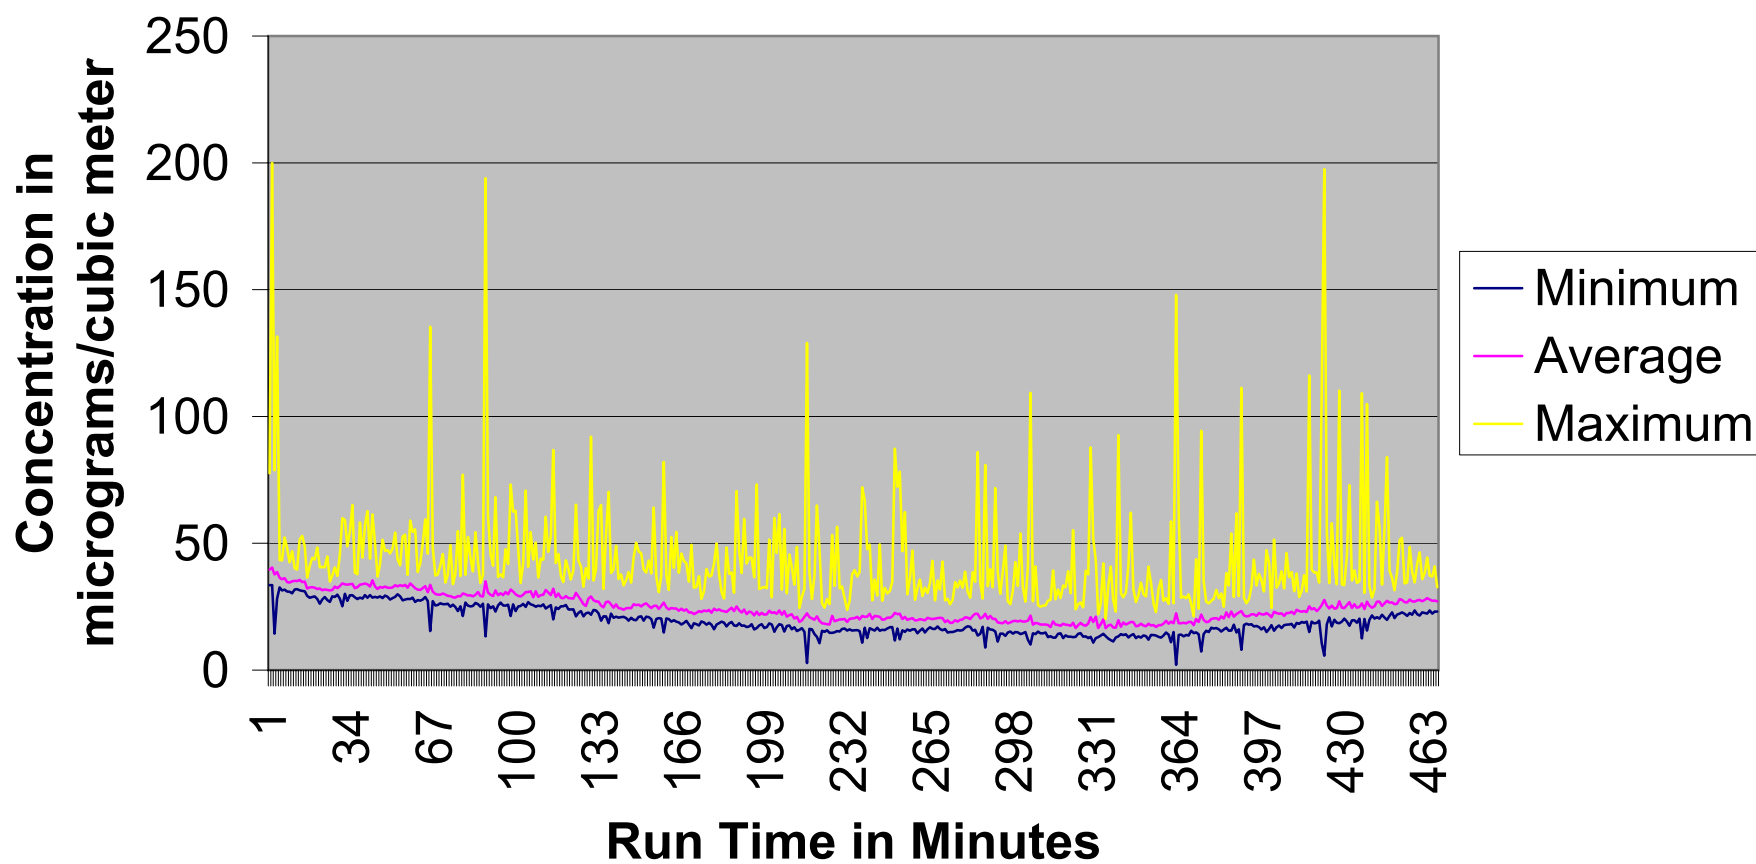

**Particulates in Air, East Location (downwind),
7/16/02
(background - removal operations started
7/23/02)**

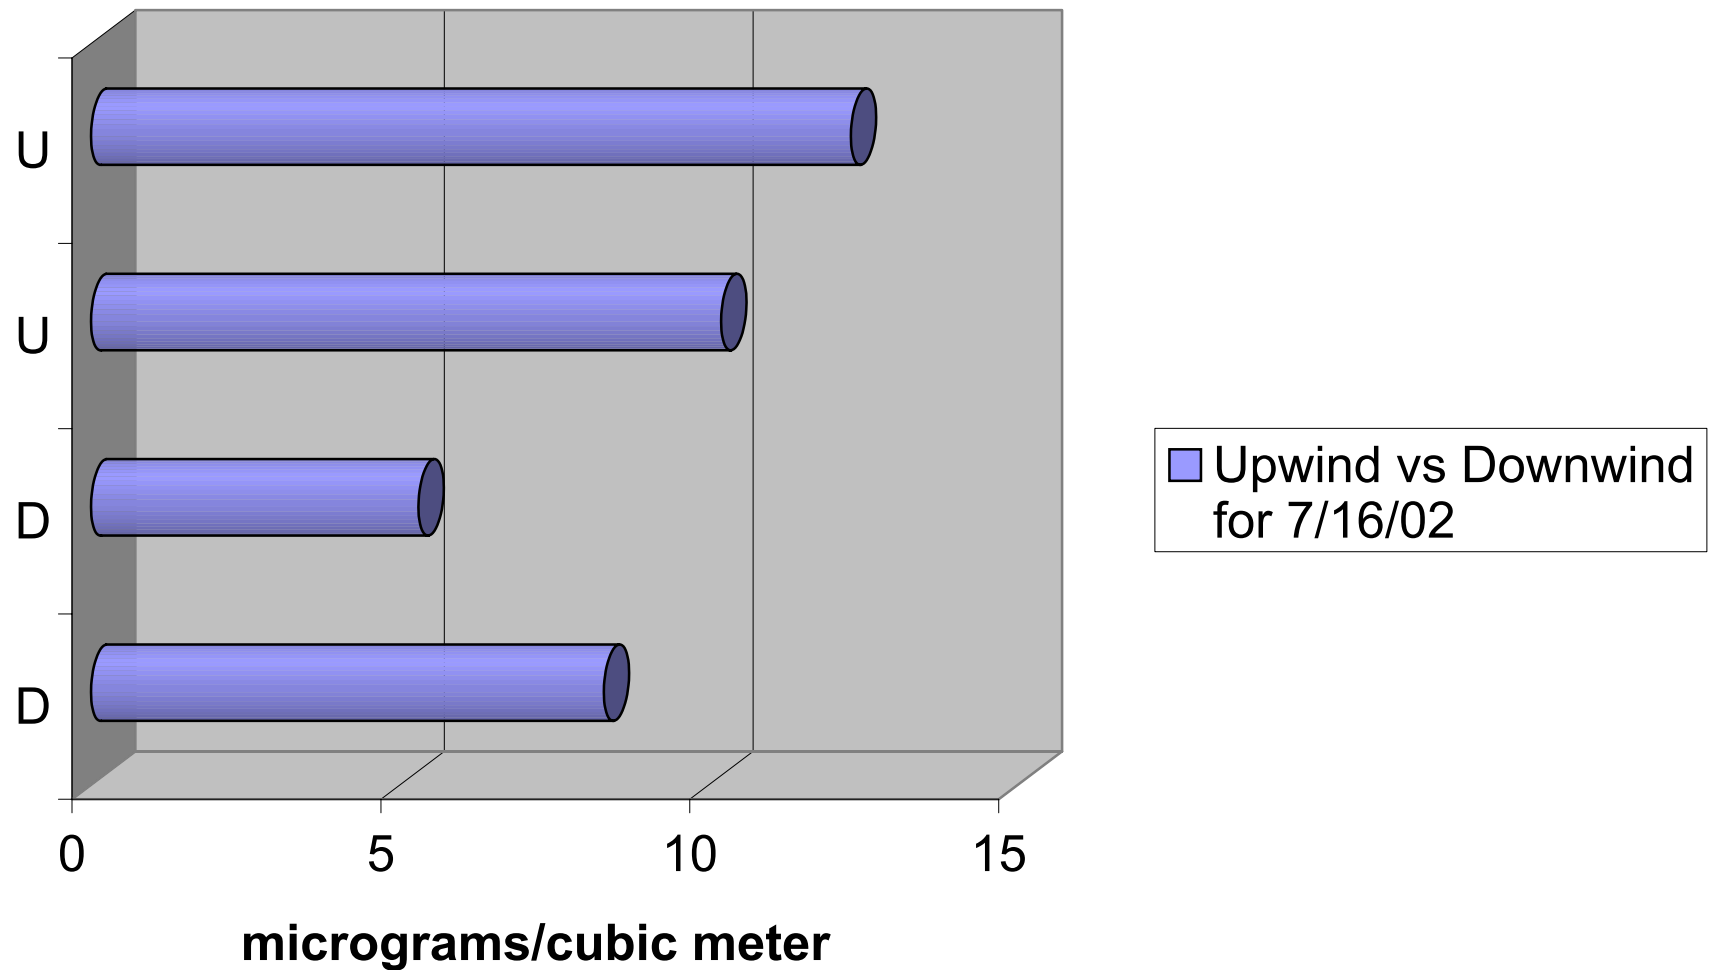

**Particulates in Air, South Location (downwind),
7/16/02
(background - removal operations started
7/23/02)**

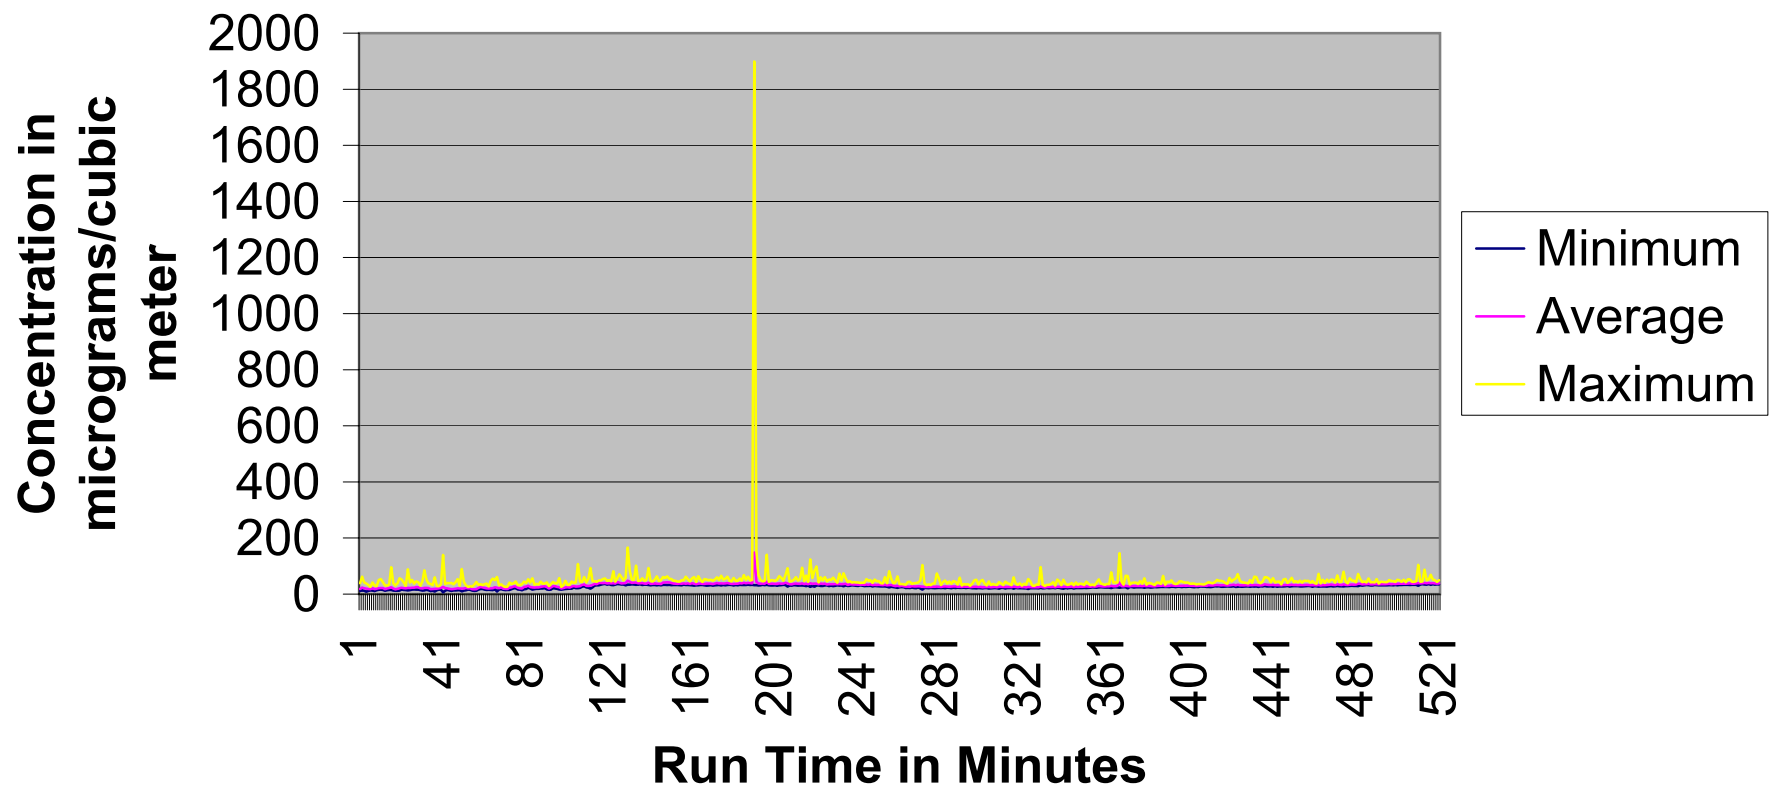

**Particulates in Air, School, 7/16/02
(background - removal operations started
7/23/02)**

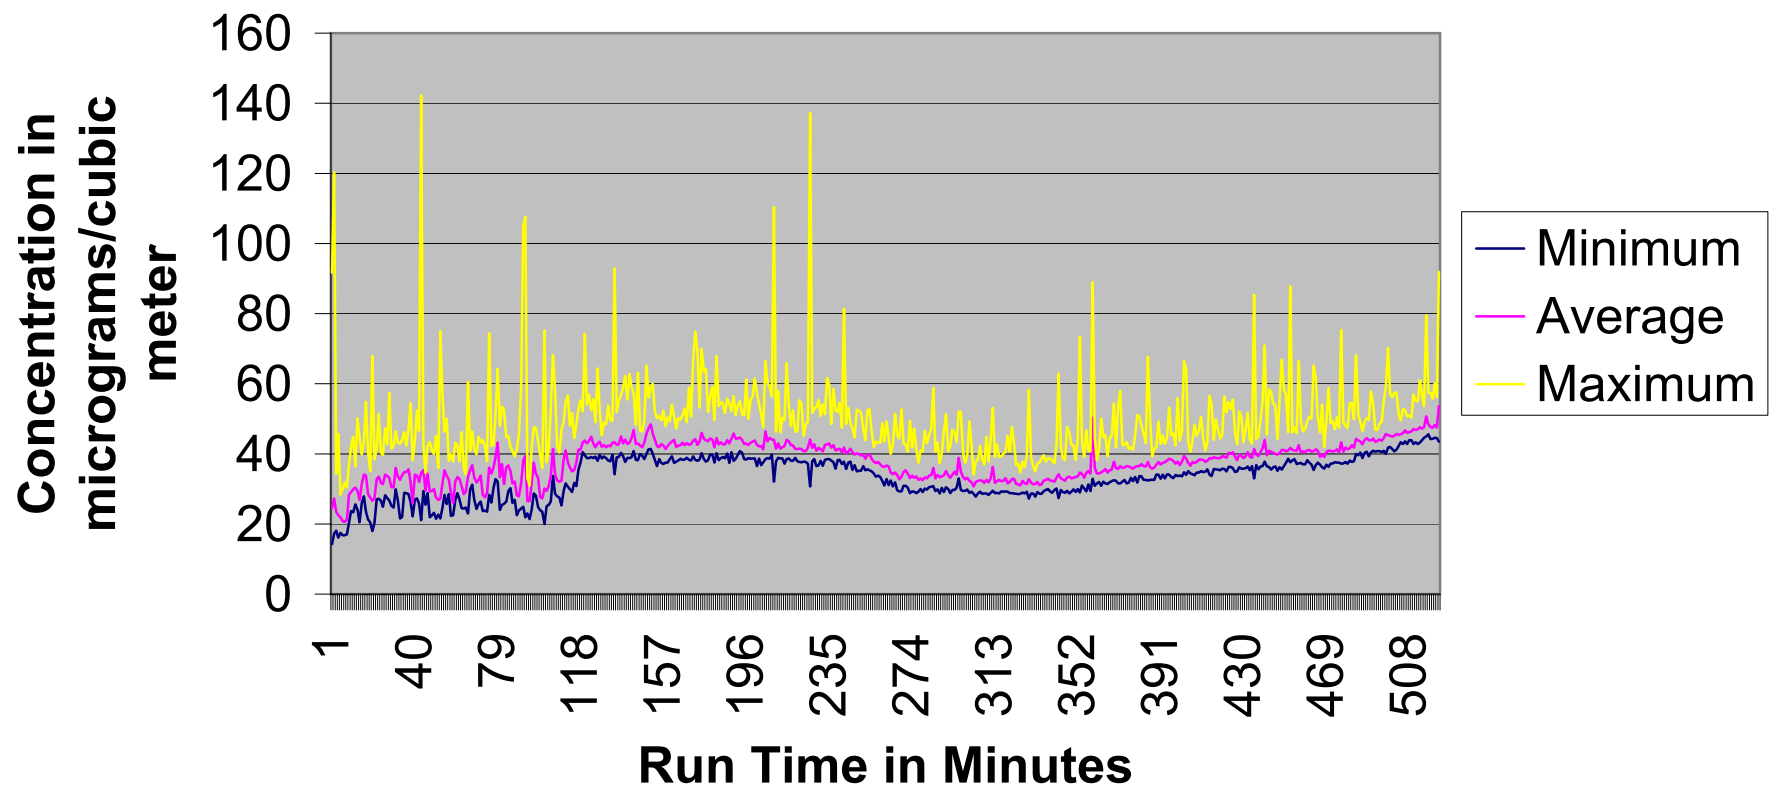

Daily Overall Average Particulate Concentrations (background samples)

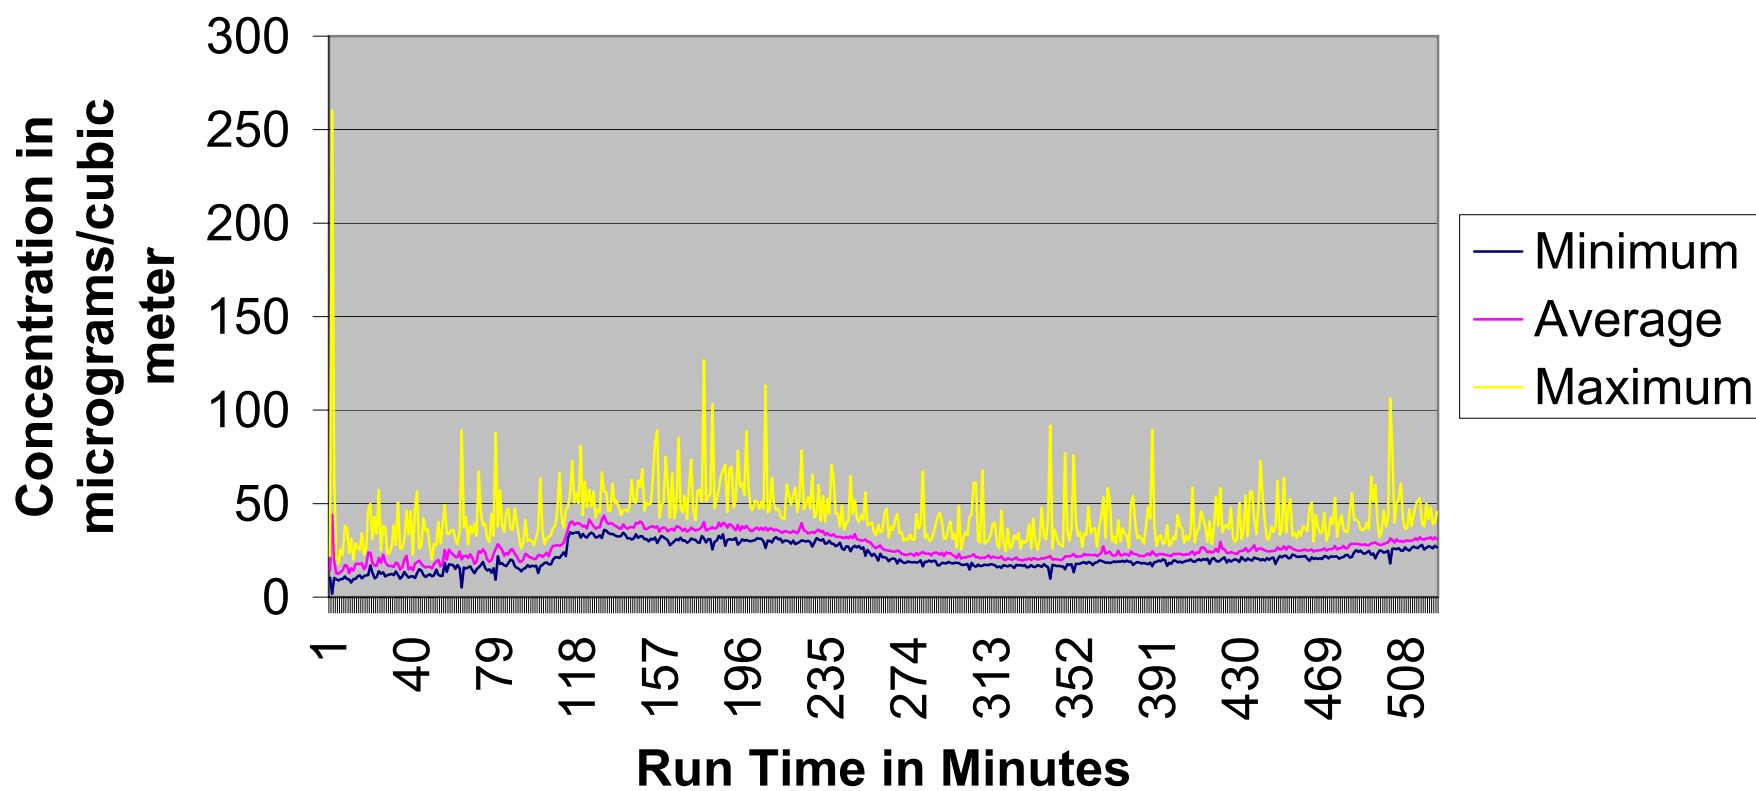

**Particulates in Air, North Location (upwind),
7/17/02
(background - removal operations started
7/23/02)**

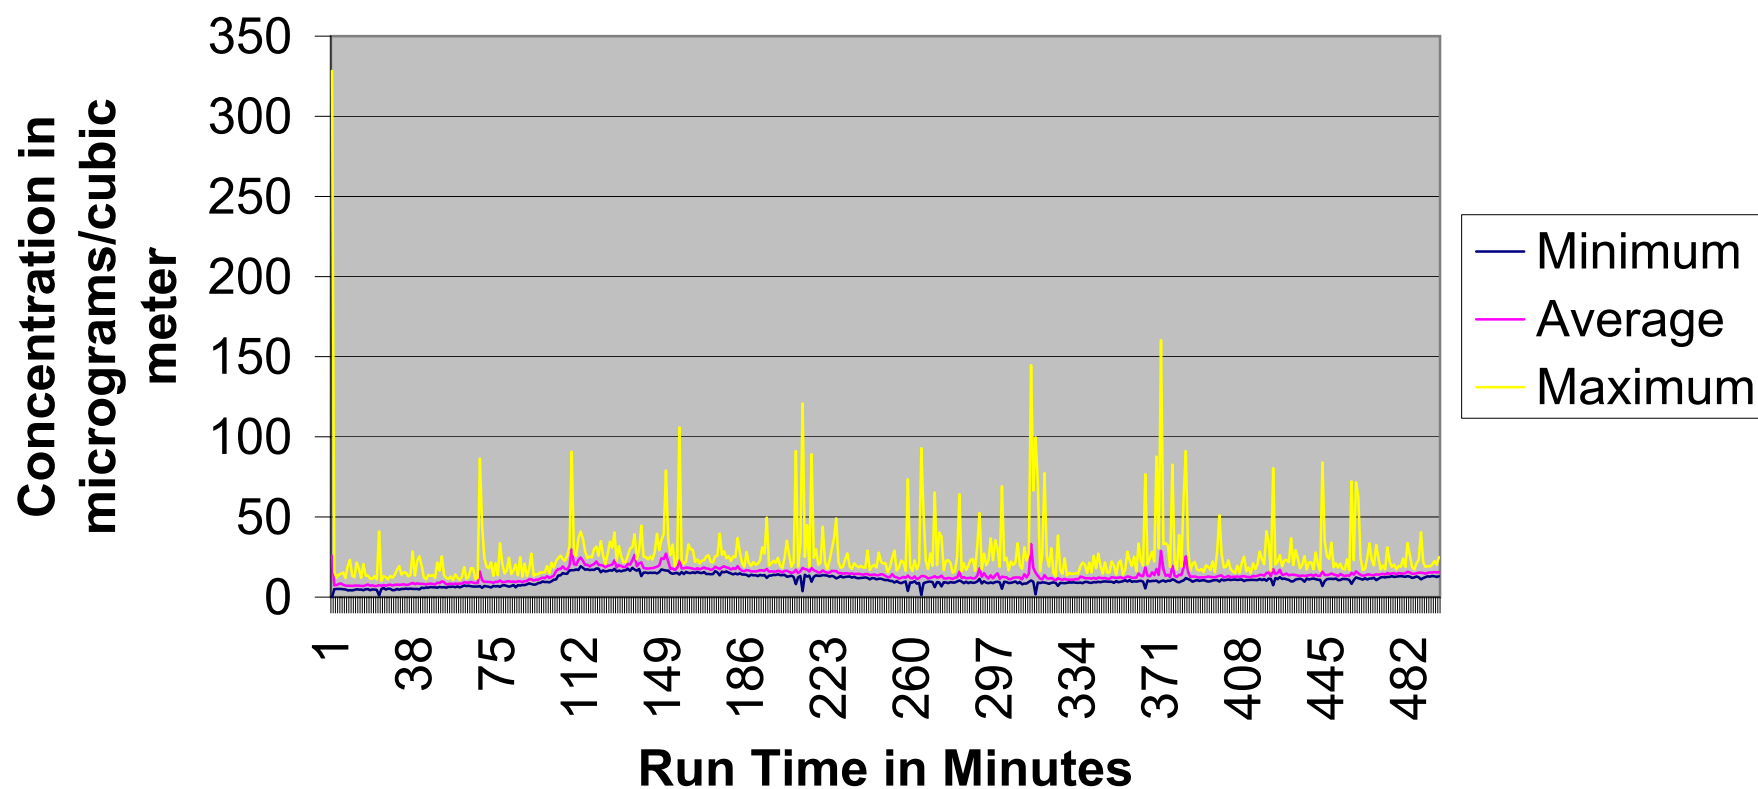

**Particulates in Air, Northwest Location (upwind),
7/17/02
(background - removal operations started
7/23/02)**

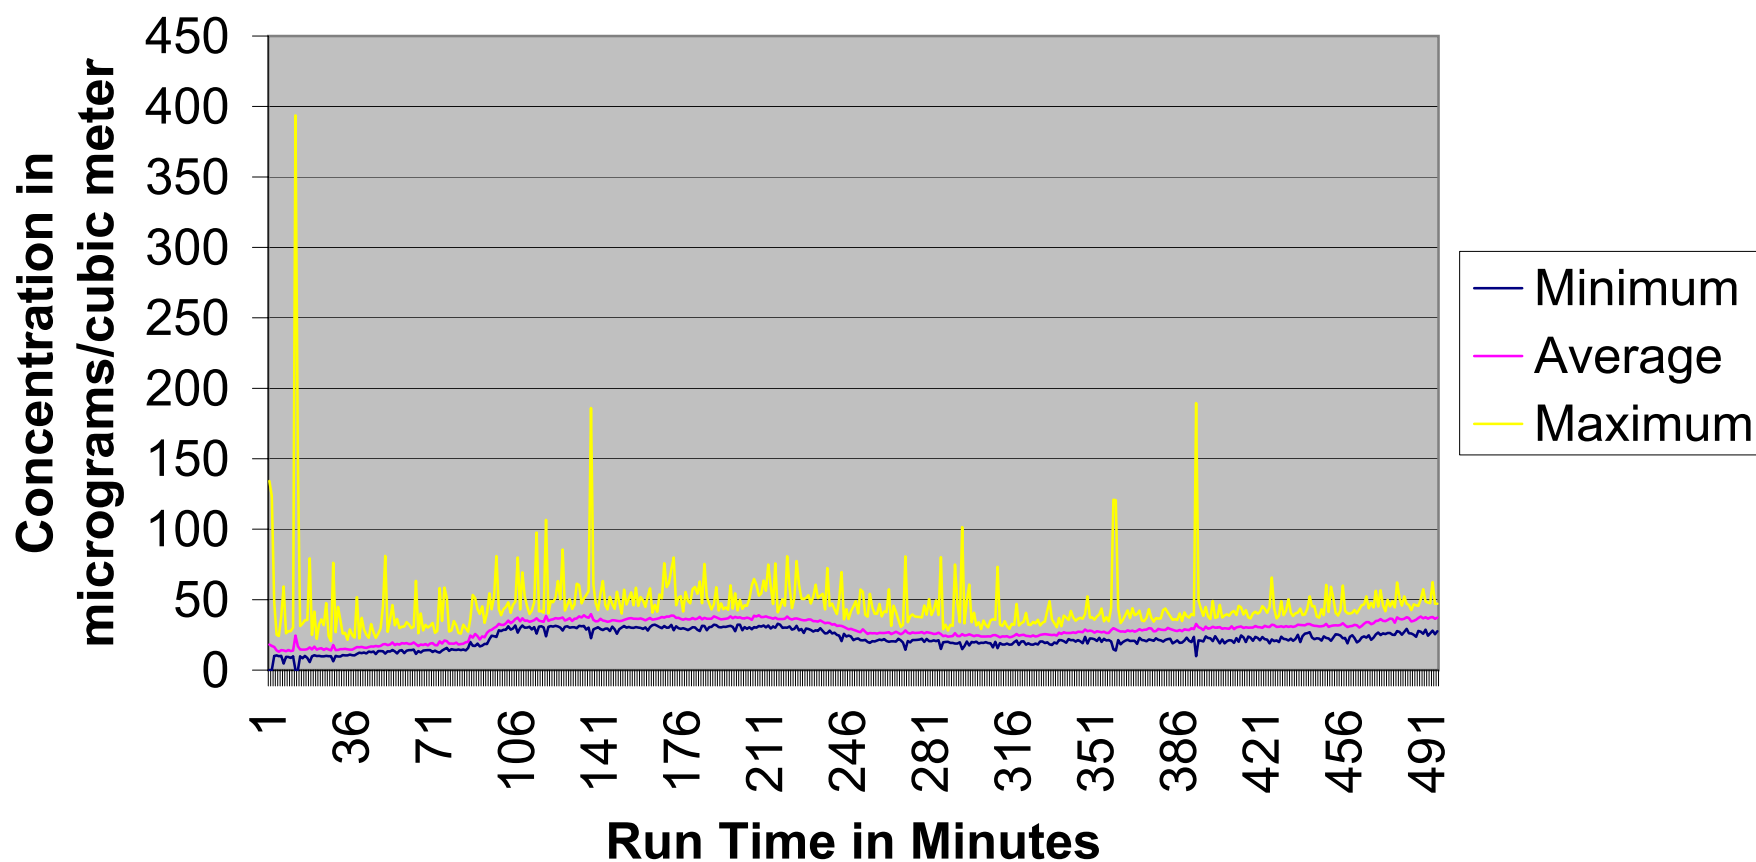

**Particulates in Air, East Location (downwind),
7/17/02
(background - removal operations started
7/23/02)**

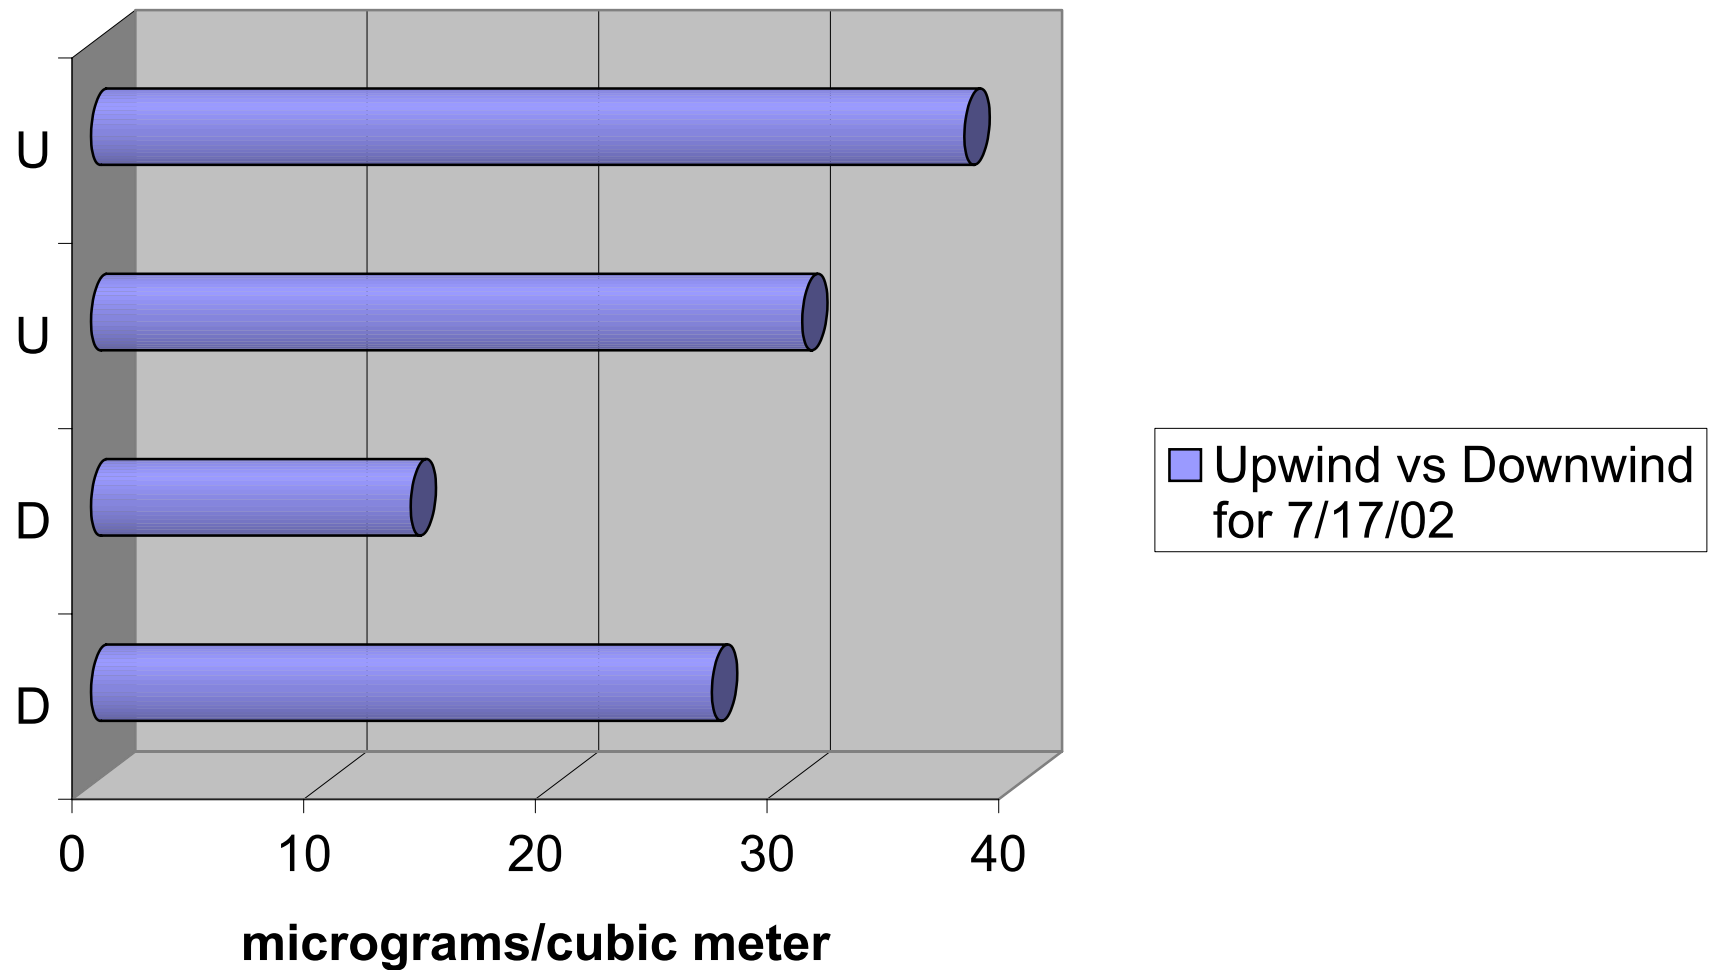

**Particulates in Air, South Location (downwind),
7/17/02
(background - removal operations started
7/23/02)**

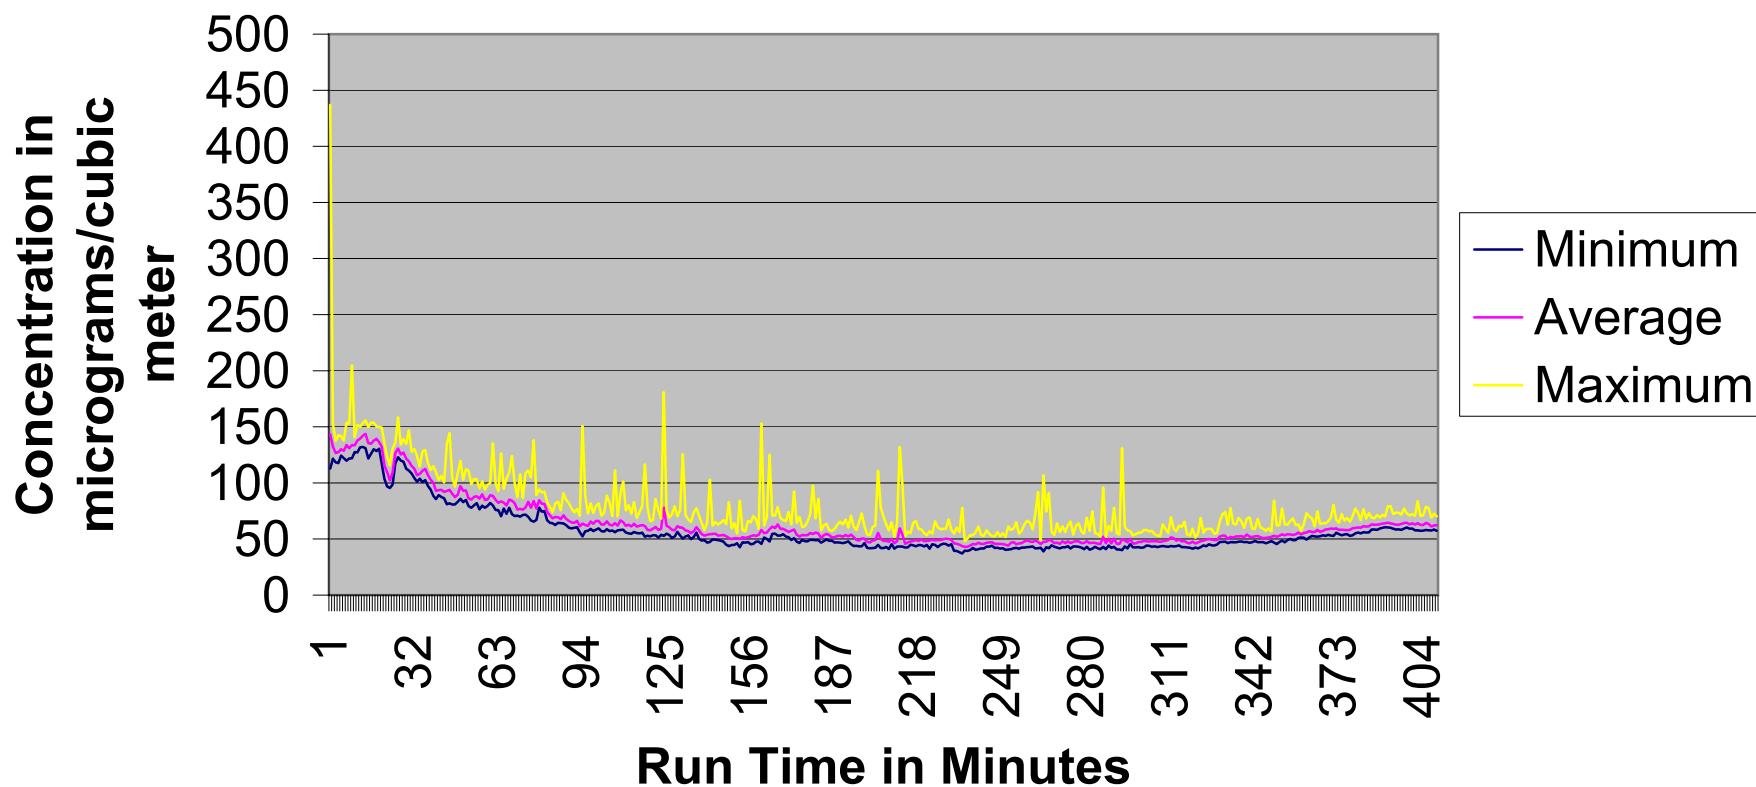

**Particulates in Air, School, 7/17/02
(background - removal operations started
7/23/02)**

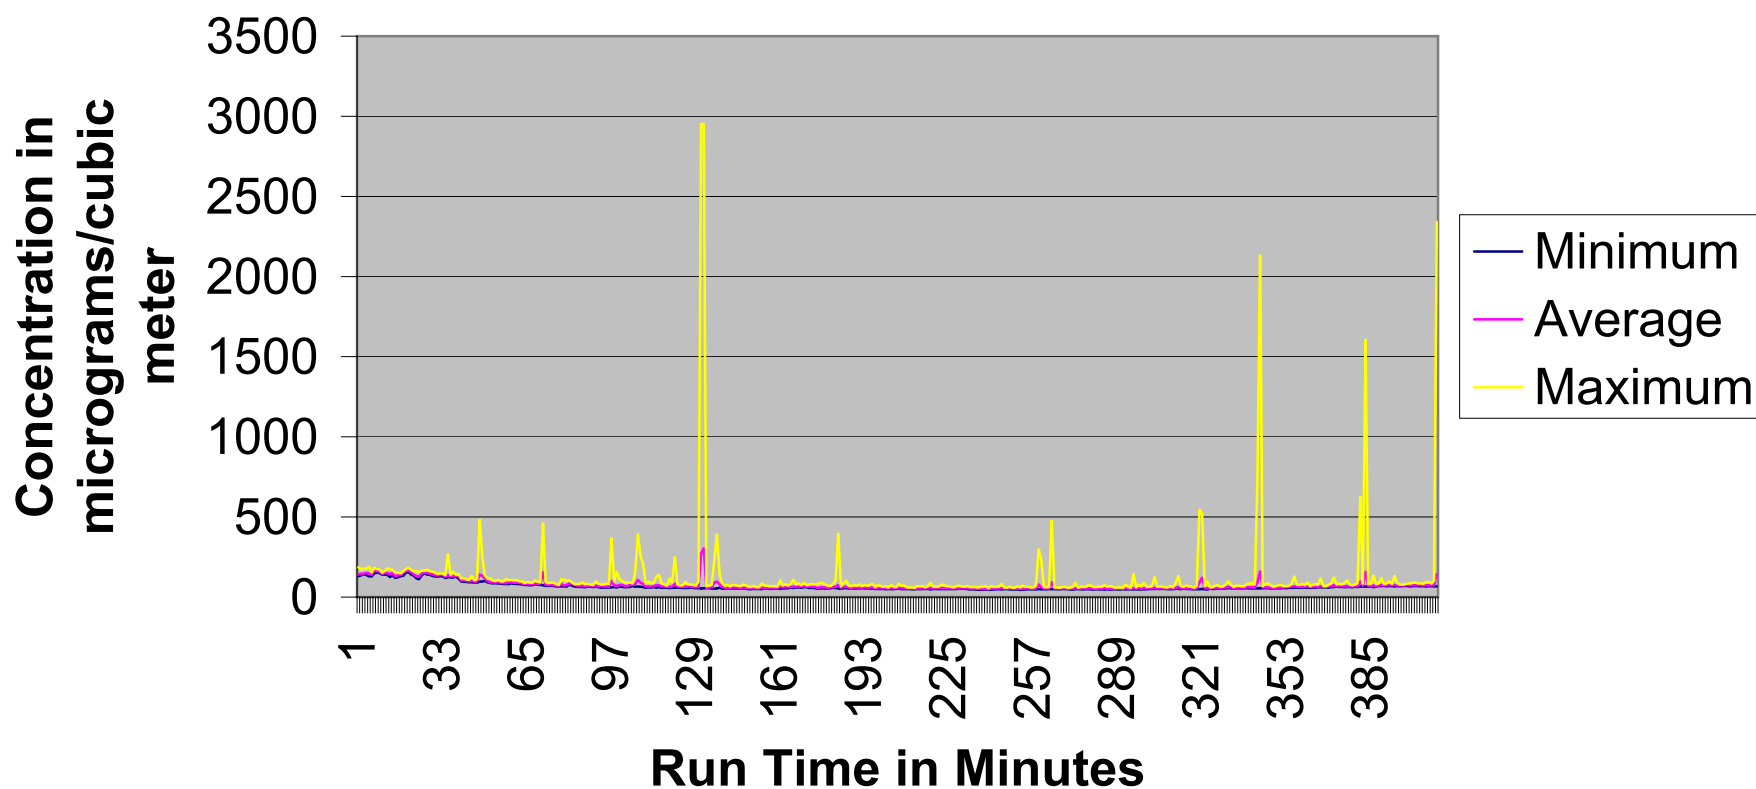

Daily Overall Average Particulate Concentrations (background samples)

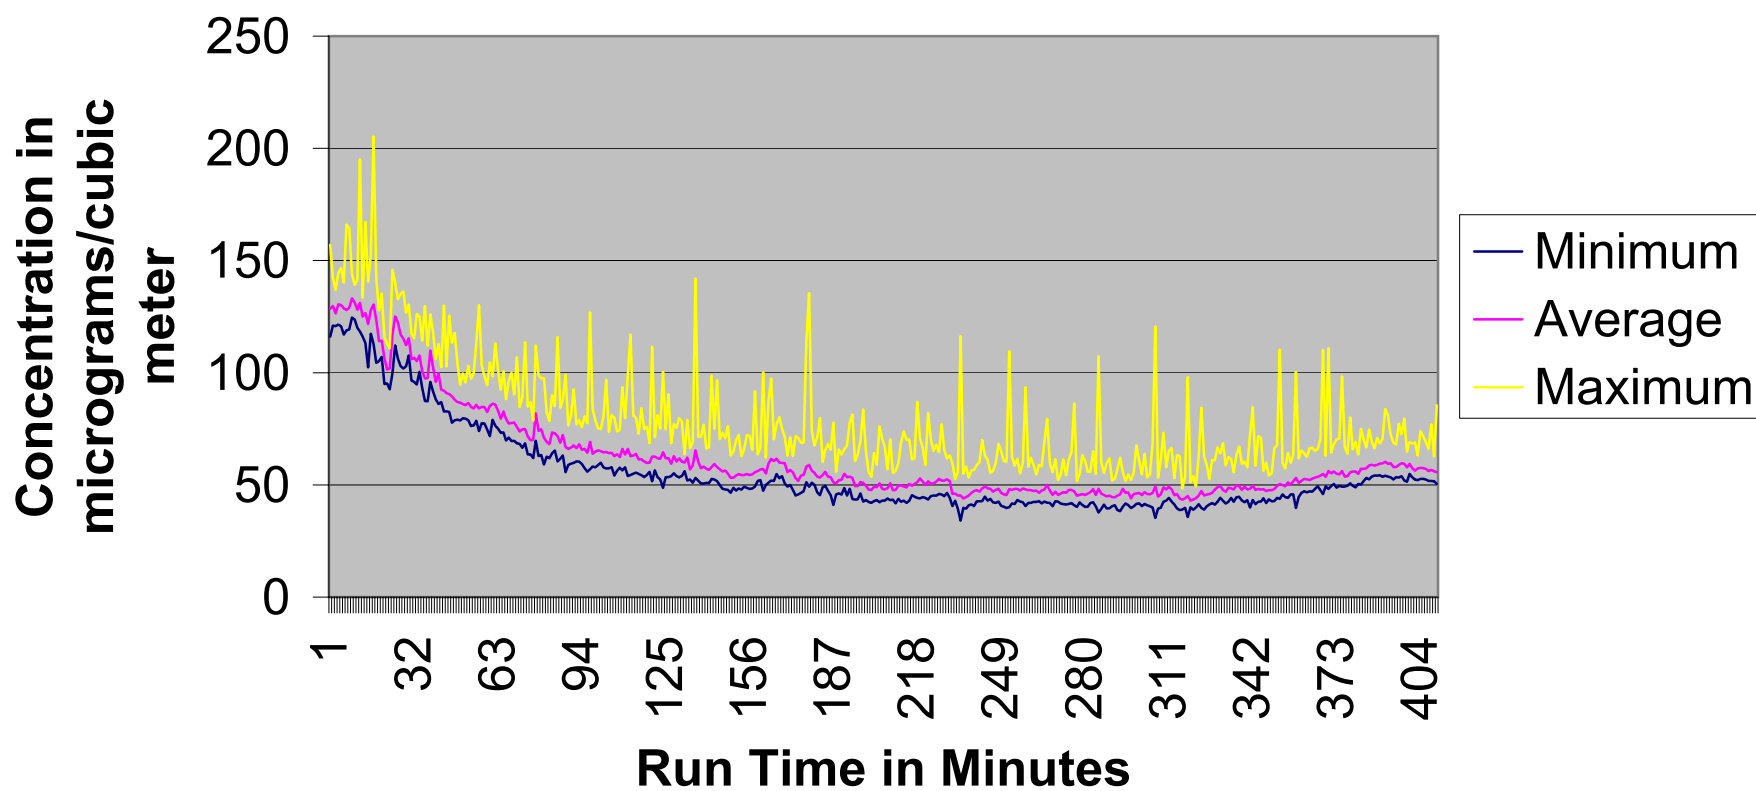

**Particulates in Air, North Location (upwind),
7/18/02
(background - removal operations started
7/23/02)**

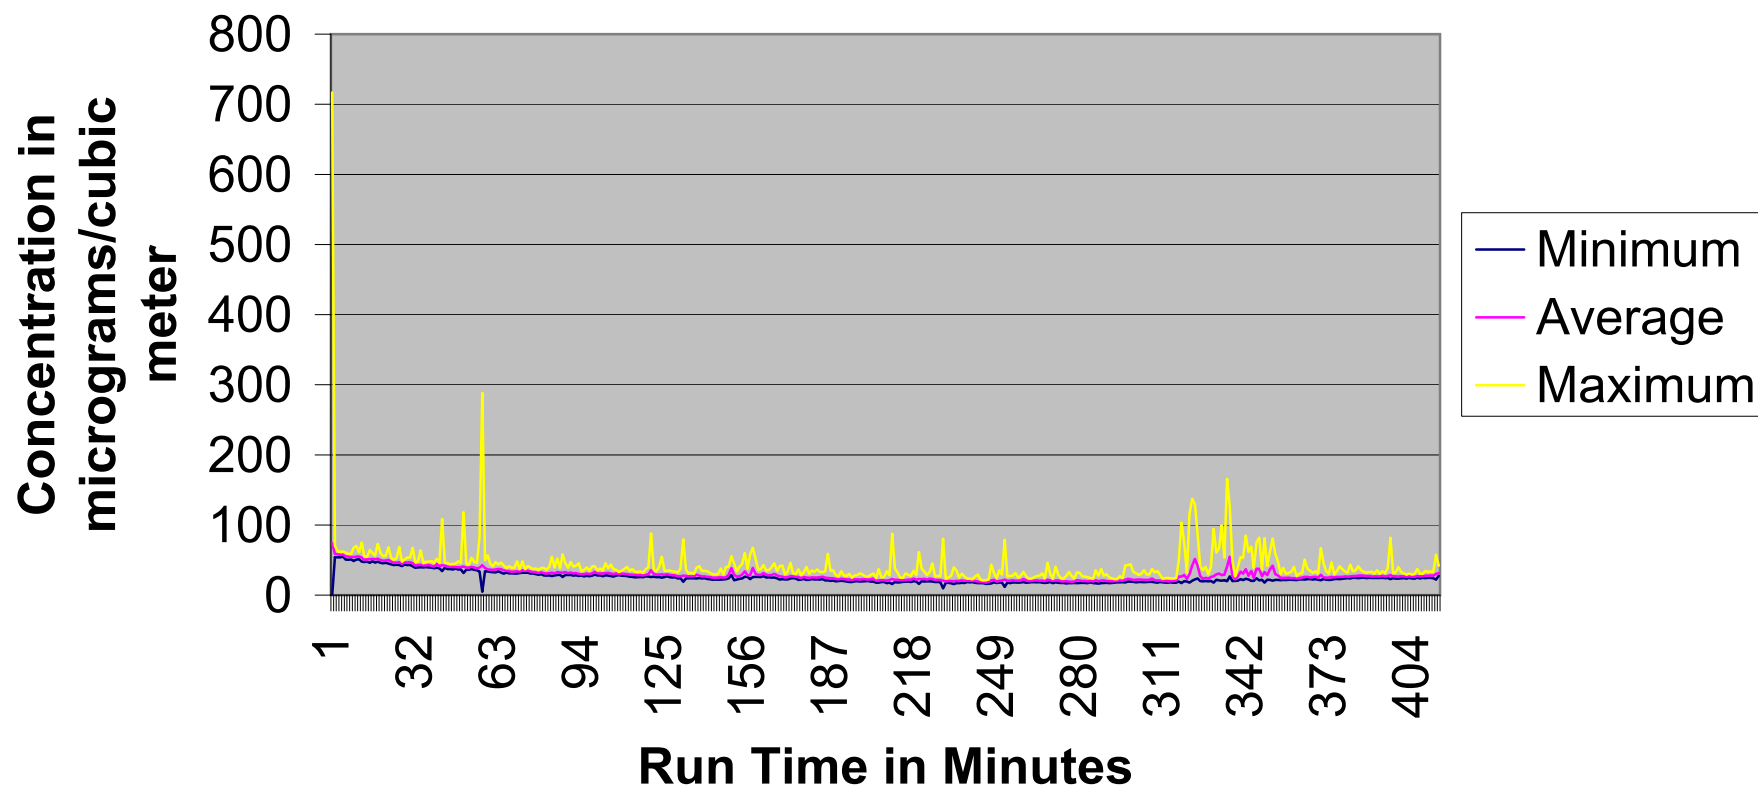

**Particulates in Air, Northwest Location
(Upwind), 7/18/02
(background - removal operations started
7/23/02)**

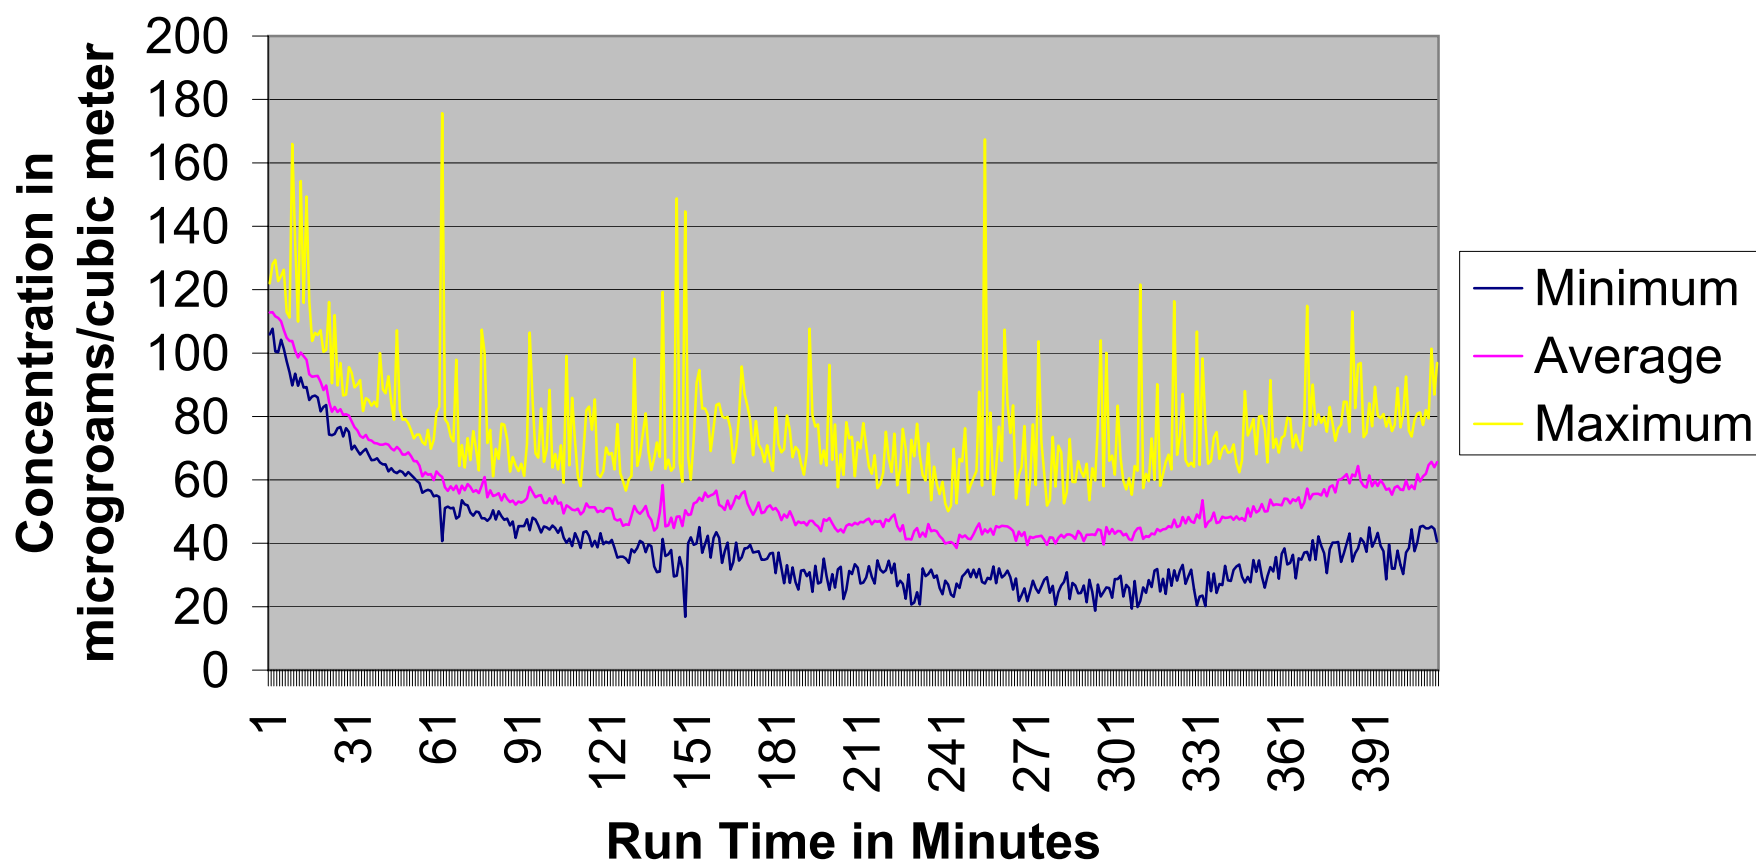

**Particulates in Air, East Location (downwind),
7/18/02
(background - removal operations started
7/23/02)**

**Particulates in Air, South Location (downwind),
7/18/02
(background - removal operations started
7/23/02)**

Particulates in Air, School, 7/18/02
(background - removal operations started
7/23/02)

Daily Overall Average Particulate Concentrations (background samples)
