Dear Mr. Brough,

I would like to thank you for allowing the Laconia Public Library in Laconia, New Hampshire to serve as the field repository for the *Henry's Dry Cleaners Site Removal Action Administrative Record File*.

The Administrative Record File is a collection of documents that form the basis for the selection of a removal action. According to the Superfund Amendments and Reauthorization Act, the U.S. Environmental Protection Agency (EPA) is required to establish an Administrative Record field repository at or near the removal site.

Enclosed is a copy of the Administrative Record File for the Henry's Dry Cleaners Site in Laconia, New Hampshire, as well as the "Guide to Removal Site Administrative Records Maintained in Field Repositories."

Please call me at 617-918-1052, or contact me at burgo.daniel@epa.gov, if you have any questions.

Sincerely,
