

# TRANSPORTATION RAIL INCIDENT PREPAREDNESS AND RESPONSE TRAINING

## JUNE 20, 2016

At the University of Notre Dame  
South Bend, IN

The Transportation Rail Incident Preparedness and Response (TRIPR) training resources were developed to provide critical information on best practices related to rail incidents involving hazard class 3 flammable liquids, such as crude oil and ethanol. A key component of this initiative is to learn from past experiences and to leverage the expertise of public safety agencies, rail carriers, and industry subject matter experts in order to prepare first responders to safely manage rail incidents involving flammable liquids. More information is available at:

<http://dothazmat.vividlms.com/tools.asp>

Training will be held at the University of Notre Dame in South Bend, IN, on June 20, 2016, from 8 am – 4 pm. To attend this free training event, please register at:
