Roseburg Tanker Press Release 03/11/2006

Interstate 5 traffic continues to be detoured at mile post 112 and 119 as thousands of gallons of gasoline burn on the southbound I-5 lanes. The semi-truck crash occurred at about 4:40 a.m. with the trailer blocking the southbound lanes.

Motorists are advised to drive with caution along the detour and look for advance warning signs.

ODOT maintenance crews on scene estimate roughly 9,000 gallons of gasoline and another 2,000 gallons of diesel were spilled.

As of 7:30 a.m., ODOT expected to have a single lane of traffic reopened on the northbound side of I-5 within the next hour. Southbound I-5 will likely remain closed until early afternoon.

The latest road information is available by calling 511 or online at [www.tripcheck.com](http://www.tripcheck.com).

--30--

Additional media calls were given the following information:  
NB lane reopened @ 7:50; both NB lanes reopened @ 1:30; SB fast lane reopened @ 2:23
