Nichole,

Yes, we can call. I was able to pull some additional resources to make calls. We will take the bottom 30 on the Region 10 list. I will come by to discuss a strategy to for the remaining WWTPs

The list is attached.

Thank you,  
Mark

Hey Mark,

Attached is an excel file. It has a tab for region 12 and 10 with facilities that are still unknown or haven't been called.
