

# Hurricane Irma & Maria

## Household Hazardous Waste Free Drop-Off Collection EVENTS St. Croix, USVI

Take action to protect your family. Certain household items can pose risks if not handled properly. The EPA is here to help. If you have the items listed below, please bring them to EPA's drop off locations so we can dispose of them properly.

### **ONE-DAY TEMPORARY COLLECTION SITES**

**Open 8:00 am- 4:00 pm**

**Saturday, January 6th 2018  
Cheeseburgers in America's Paradise  
East End Road at Southgate (parking lot),  
Christiansted**

**Saturday, January 13th 2018  
Plaza Extra WEST  
14 Plessen, Frederiksted**

### **Examples of what we can take:**

- ◆ Used Oil, Gas, Auto Fluids
- ◆ TVs and Computers
- ◆ Car and Marine Batteries
- ◆ Fluorescent Bulbs
- ◆ Paints, Spray Paint and Paint Thinners
- ◆ Household Cleaners and Solvents
- ◆ Pesticides, Weed Killer, Insect Repellents
- ◆ Propane
- ◆ Fire Extinguishers

### **Examples of what we cannot take:**

- ◆ Explosives/Radioactives
- ◆ Asbestos
- ◆ Electrical Appliances with Plugs or Batteries (other than TVs or computers)
- ◆ Compressed Gas Cylinders other than Propane
- ◆ Large Appliances (A/C, Refrigerators, Stoves, Washers, etc.)
- ◆ Curbside Debris (Trash, Trees, Branches)
- ◆ Medical/Infectious Waste (biohazard)

### **Tips for gathering your HHW for safe disposal:**

- ◆ Seal containers tightly.
- ◆ Bring them in their original containers inside a sturdy box if possible.
- ◆ Do not mix products.
- ◆ Be prepared to leave your containers.
- ◆ Gasoline containers will not be returned.
- ◆ If original container is leaking, transfer the product to a safe container and re-label.

**If you have these types of items, separate them and visit the collection center listed above.  
For more information, call EPA's free Hotline at 1-888-283-7626 or visit: [www.epa.gov/hurricane-maria](http://www.epa.gov/hurricane-maria)**
