STATUS CHANGE (ICS 210-EPA)

Purpose. The Status Change form is used by the incident Communications Center Manager to record status change information received on resources assigned to the incident.

Preparation. The form is completed by radio/telephone operators who receive status change information from individual resources, Task Forces, Strike Teams, and Division/Group Supervisors. Status information could also be reported by Staging Area and Helibase Managers or fixed-wing facilities.

Distribution. The Status Change card is in two-part form. The original copy given to the Resource Unit, and the second copy is retained by the Communications Unit.

Item #	Instructions
Incident Name	Enter the name assigned to the incident.
Operational Period	Enter the time interval for which the form applies. Record the start and end date and time.
Designator Name/ I.D. Number	Enter the appropriate designator for the kind of resource. Enter name and agency/company.
Status	Determine the current status of the resource. If out-of-service status is checked, enter the time when the resource will return to service (ETR).
From/Location/To	Place a checkmark in the FROM column indicating the current location of the resource (where it came from). Also, place a check in the TO column indicating the assigned location of the resource. When more than one Division, Staging Area, or Camp is used, identify the specific location (e.g., Division A, Redfern Staging Area).
Message	Enter any special information provided by the resource or dispatch center such as individual designators of strike teams and task forces.
Time	Enter the time of the status change (24-hour clock).
Resource Process	This box is checked by Resources Unit personnel AFTER the Unit has transferred the information to a Resource Status Card (ICS Form 219 – T-Cards).
