

NOTICE OF AVAILABILITY OF ADMINISTRATIVE RECORD

THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY (EPA) ANNOUNCES THE AVAILABILITY FOR PUBLIC REVIEW OF THE ADMINISTRATIVE RECORD FOR THE EIGHT BURNT BUILDINGS CHEYENNE RIVER SOUX SITE EMERGENCY RESPONSE ACTION IN EAGLE BUTTE, SD

The Administrative Record (AR) for the Cheyenne River Souix burned buildings Emergency Response includes all information used during the decision-making process that led to the environmental response at the site, including the selection of the Response Action. EPA's response action consisted of removing the asbestos containing materials and demolishing the remaining structures. All of the asbestos containing debris was properly disposed of at an authorized landfill. All other waste was disposed of at a registered landfill.

Other documents, including the comments received on the Administrative Record and EPA's response to significant comments, may be added at a later date.

The administrative record and more information about the Emergency Response may be viewed online at: response.epa.gov/eightburntbldgCRST
