

Paden City PCE

Virtual Public Information Session

Join us for an online Information Session for the Paden City PCE site on **Thursday, June 25, from 6:00-7:30PM**. During this session, community members will learn about response activities and can ask questions about the site. The following agencies will be available to share updates and answer questions:

- U.S. Environmental Protection Agency
- West Virginia Department of Health and Human Resources
- West Virginia Department of Environmental Protection
- Agency for Toxic Substances and Disease Registry

We hope you can join us! To reserve your spot, please register in advance.

Register Online by June 23, 2020
