**RE: Morrow Dam (FERC No. 9000) Phase 1 Field Investigation Report**

Dear Mr. Alexander:

In accordance with Michigan Department of Environment, Great Lakes, and Energy (EGLE) Violation Notice VN-010802 dated July 8, 2020, STS Hydropower, LLC (STS) hereby submits the enclosed Morrow Dam Phase 1 Field Investigation Report (Report).

The Report documents the results of the Phase 1 Field Investigation which was conducted to assess the volume, location, depth and composition of sediments downstream of Morrow Dam. The investigations scope and methods were developed in close consultation with EGLE, Michigan Department of Natural Resources (DNR), and the US Environmental Protection Agency (EPA) and are detailed in the Phase 1 Field Investigation Plan that was submitted to your office on December 11, 2020.

If you have any questions or need additional information, please do not hesitate to contact me at (201) 306-5616 or via e-mail at [david.fox@eaglecreekre.com](mailto:david.fox@eaglecreekre.com). Alternatively, you may contact Melissa Sonnleitner at (920) 293-4628 ext. 347 or by e-mail at [melissa.sonnleitner@eaglecreekre.com](mailto:melissa.sonnleitner@eaglecreekre.com).

Sincerely,

David H. Fox
