

Arkansas Regulatory Partnership Program

Please Join us:

With the Public Awareness Program

for Calhoun County

When: August 17, 2021 at 6:30 PM

Where: Calhoun County Training Center

555 9th St

Hampton, AR

Hosted by: Donna Steelman

As an emergency responder you already know that an ounce of prevention is much better than a whole bunch of cure. By working together as a team, doing what each of us does best, the chances that a damage or an emergency will occur will be minimized.

Attendees will have the opportunity to participate in an incident scenario and receive an updated Resource Book and a Quick Reference card.

Attendees will receive 2 hours credit for awareness training from the Arkansas Department of Emergency Management's Office of Hazardous Materials.

We ask that all practice social distancing. We will provide hand sanitizer, paper towels, sign in sheet & pen for each person, and will wipe down room before and after meeting. If you have a mask please bring it, we will have masks at the meeting.
