Re: General Notice Letter for the San Miguel Fluvial Tailings Site

Dear Mr. Thompson:

Idarado Mining Company (Idarado) has received your July 5, 2022 letter regarding the San Miguel Fluvial Tailings Site. Idarado is currently reviewing available information with respect to the history and nature of the materials located at this site. As you may know, this area was subject to prior clean-up actions by various entities pursuant to a 1992 Consent Decree and Remedial Action Plan with the State of Colorado.

Idarado will follow-up with EPA on this matter as soon as it completes its initial review. In the meantime, if you have any questions about this, you may contact Devon Horntvedt at [devon.horntvedt@newmont.com](mailto:devon.horntvedt@newmont.com).

Respectfully,

Lawrence Fiske
