

Squannacook Sportsmans Club Removal Site

Construction remobilization for Spring 2023

The U.S. Environmental Protection Agency announces a remobilization on the construction work at the Squannacook Sportsman Club removal site located at 159 West Main Street Groton, MA. Work will resume on April 5th, 2023. Work to be conducted this spring will be as follows: removing low lying vegetation and/or trees as necessary, excavation of contaminated soil, backfilling excavated areas, transportation and disposal of contaminated soil, confirmatory sampling in excavated areas, and restoring the site at the end of the job. Please reach out to Charlotte Gray at 617-918-1243 or gray.charlotte@epa.gov with any questions.
