Re: Notice of Completion of Work
In the Matter of Pierson's Creek Superfund Site, Newark, New Jersey
Administrative Settlement Agreement and Order on Consent for
Removal Action, CERCLA Docket No. 02-2022-2012

Dear Mr. Miller:

On August 4, 2022, the United States Environmental Protection Agency (EPA) entered into an Administrative Settlement Agreement and Order on Consent for Removal Action, CERCLA Docket No. 02-2022-2012 (ASAOC) with Salomone Brothers, Inc., and 364-394 Wilson Avenue, LLC (Salomone) concerning the Pierson's Creek Superfund Site (Site). The ASAOC required that Salomone perform a removal action at the Site.

Pursuant to Section XXVII (Notice of Completion of Work), Paragraph 111 of the ASAOC, EPA hereby notifies Salomone that all Work (as defined in the ASAOC) has been fully performed in accordance with the ASAOC and is now complete, with the exception of continuing obligations required by the ASAOC including payment of Future Response Costs and Record Retention.

If you have any questions, please contact Pamela Tames, P.E. of my staff at 212-637-4255 or at tames.pam@epa.gov.

Sincerely,

Michael Sivak, Chief
Passaic, Hackensack, and Newark Bay Remediation Branch
Superfund and Emergency Management Division, EPA Region 2
