

TRANSPORTATION RAIL INCIDENTS PREPAREDNESS AND RESPONSE

OCTOBER 30, 2024

Perry Hi-Way Hose Company-Station 43

8281 Oliver Road, Erie, PA 16509

The Transportation Rail Incidents Preparedness and Response (TRIPR) training event was developed to provide critical information on best practices related to rail incidents involving hazard class 3 flammable liquids, such as **crude oil and ethanol**. A key component of this initiative is to learn from past experiences and to leverage the expertise of public safety agencies, rail carriers, and industry subject matter experts to prepare first responders to safely manage incidents involving flammable liquids unit trains. More information is available at:

<https://response.epa.gov/Region5TRIPR>.

The training will be held on October 30, 2024, from 8:00 AM-4:30 PM. To attend this training, please either scan the QR code or register [online](#) by October 20, 2024. Lunch will be provided. **Registration is limited to 50.**
