GENERATOR / SHIPPER CERTIFICATION

We, the generator of this product, hereby certify that we have not mixed any hazardous waste in this product being picked up by the above company. This product is being transported to the above company to be recycled in accordance with all federal, state, and local regulations. We, the generator, also certify that this product does not contain any detectable levels of PCB's (53 Fed. Reg. 24206, June 27, 1988).

I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked and labeled, and are in all respects in proper condition for transport by highway according to applicable international, national, and state government regulations.

Unless I am a small quantity generator who has been exempted by statute or regulation from the duty to make a waste minimization certification under Section 3002(b) of RCRA, I also certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and I have selected the method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment.
