**Site Description**
On February 13, 2009. The US Coast Guard MSU Chicago called EPA at 1400 hours to investigate an unmarked 55 gallon drum reported by the Metra Police Department along the bank of the Little Calumet River around 130th/South State Street (Chicago). USEPA OSC responded and met USCG responders on scene at 1530 hours. An investigation of the drum indicated that it was empty. Metra Police was notified of finding. USEPA Demobilized from the scene at 1630 hours.

* The above accounting of expenditures is an estimate based on figures known to the OSC at the time this report was written. The OSC does not necessarily receive specific figures on final payments made to any contractor(s). Other financial data which the OSC must rely upon may not be entirely up-to-date. The cost accounting provided in this report does not necessarily represent an exact monetary figure which the government may include in any claim for cost recovery.
