1.2 Incident Objectives

No information available at this time.

1.3 Critical Resource Needs

No information available at this time.

1.4 Strategic Considerations

No information available at this time.

2. Current Activities

2.1 Operations Section

2.1.1 Narrative

2.1.2 Response Actions to Date

ER Response Planning (Andy Smith)

Ecology and EPA met Monday with Kent Fire Department as well as their representative for the Kent Emergency Coordination Center to present our response plan and solicit feedback. They felt the plan was clear and made sense to how they too would like to provide information to us using appropriate ICS channels. Ecology is making some minor editorial changes to the plan based on comments received and is setting up a time to meet with the other cities as well as King County.

Superfund and RCRA Sites (Howard Orlean)

Howard intends to generate a list of Superfund and RCRA correction sites for next sitrep.

GIS Support (Scott Augustine)

No updates to report

All American Metal Finishing (Diane Dettling)

No updates to report. Future updates will be reported under Superfund and RCRA Sites

King County Public Health Environmental Sampling Support (Michael Boykin)

With START support and in coordination with King County and Ecology, Michael is preparing a Health and Safety Plan, a site-wide Site Specific Sampling Plan, and developing minimum data management requirements for King County.

ESF-10 Response Plans (Josie Clark)

Josie met with Javier Morales regarding two 112(r) RMP sites potentially in the flood plain.

FEMA ESF-10 Desk Officer Staffing (Michael Sibley)

No updates to report.

Water Infrastructure Response Team (Eric Winiecki)

Chris Field met with Office of Water on Monday to discuss some issues. There has been no feedback on decisions or outcomes of this meeting.

2.1.3 Enforcement Activities, Identity of Potentially Responsible Parties (PRPs)

2.1.4 Progress Metrics

<i>Waste Stream</i>	<i>Medium</i>	<i>Quantity</i>	<i>Manifest #</i>	<i>Treatment</i>	<i>Disposal</i>

2.2 Planning Section

No information available at this time.

2.3 Logistics Section

No information available at this time.

2.4 Finance Section

No information available at this time.

2.5 Other Command Staff

No information available at this time.

3. Participating Entities

No information available at this time.

4. Personnel On Site

No information available at this time.

5. Definition of Terms

No information available at this time.

6. Additional sources of information

No information available at this time.

7. Situational Reference Materials

No information available at this time.
