Site Description

Special Bulletin A - Polrep #1 authorizes a removal action within the ravine adjacent to the WRG4 Vermiculite Site. Initially the work was to be completed as a new Site and Polrep #1 was listed as on the Special Bulletin.

The work within the Ravine was then changed to be completed as part of the WRG4 Vermiculite Site and now the Special Bulletin is listed under Polrep #20.

Current Activities

Special Bulletin A - Polrep #1 has been placed in the Document Section of the Website.

Please refer to the Document Section for a complete copy of the Special Bulletin.
