

**United States Environmental Protection Agency
Region III
POLLUTION REPORT**

Date: Friday, August 3, 2007

From: Chris Wagner

Subject: Hazel Court Enterprises Site
101 Freeman Avenue, Chesapeake, VA
Latitude: 36.7867000
Longitude: -76.2994000

POLREP No.:	21	Site #:	
Reporting Period:	8/1/07-8/2/07	D.O. #:	
Start Date:	5/30/2006	Response Authority:	CERCLA
Mob Date:	5/30/2006	Response Type:	Time-Critical
Demob Date:		NPL Status:	Non NPL
Completion Date:		Incident Category:	Removal Action
CERCLIS ID #:		Contract #	
RCRIS ID #:			

Site Description

Onsite activities continue to focus on transportation and disposal of contaminated soils.

Current Activities

Transportation and disposal of contaminated soils continued. 11 loads weighing approximately 220 tons were removed on 8/1. Ten additional loads weighing approximately 200 loads were removed on 8/2. Total removed to date during the 2007 operations is currently is 34 loads weighing approximately 680 tons.

The loads are being transported by over the road trucks to a CSX loading area approximately three miles from the Site. The contents are then dumped at the yard into railcars.

On 8/2, the OSC and ERRS Response Manager drove to the loading area to observe operations. We confirmed that the railcars are being lined prior to dumping and that railcars awaiting transport are also covered.

The Site operator repaired a well on Site which will be part of EPA's extent of contamination sampling. This well is NOT used for drinking water. However, EPA wishes to sample the well to obtain the most comprehensive information available for the extent of contamination study. START will sample this well next week.

Planned Removal Actions

EPA will continue transportation and disposal activities under the current contract. Once the subcontract contract funds are expended, EPA will continue excavation work under the new contract. A temporary demobilization may be needed to transition between contracts.

Next Steps

Transportation and disposal activities will continue through at least next week.

START will perform sampling of onsite well and surface water on 8/6/07, weather dependent.

Key Issues

1. A sheen with a creosote odor was observed on the Elizabeth River during this time frame. This sheen is unrelated to any Site activities or any current activities at the Site. The OSC suspects the sheen is more likely generated by the creosote contaminated sediments in this general area of the River

2. All loads being transported offsite are covered and placarded.

3. Please note there was a typographical error in POLREP #20 in the Waste Stream Section. Loads were listed as 3-14 instead of 3-13. A single manifest was mistakenly entered twice. The correct number of

loads for this date was 11, as listed in the body of the polrep. This error has been corrected. However, those who received a previous copy will have this error on the report.

Estimated Costs *

	Budgeted	Total To Date	Remaining	% Remaining
Extramural Costs				
ERRS - Cleanup Contractor	\$2,277,072.00	\$2,057,032.00	\$220,040.00	9.66%
RST/START	\$174,000.00	\$80,580.00	\$93,420.00	53.69%
CLP	\$60,000.00	\$0.00	\$60,000.00	100.00%
Intramural Costs				
USEPA - Direct (Region, HQ)	\$0.00	\$12,000.00	(\$12,000.00)	0.00%
Total Site Costs	\$2,511,072.00	\$2,149,612.00	\$361,460.00	14.39%

* The above accounting of expenditures is an estimate based on figures known to the OSC at the time this report was written. The OSC does not necessarily receive specific figures on final payments made to any contractor(s). Other financial data which the OSC must rely upon may not be entirely up-to-date. The cost accounting provided in this report does not necessarily represent an exact monetary figure which the government may include in any claim for cost recovery.

Disposition of Wastes

34 loads to date for 2007 operations

Waste Stream	Quantity	Manifest #	Disposal Facility
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458386	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 tons (approx)	458387	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 tons (approx)	458389	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458349	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458350	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458351	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458352	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458415	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458416	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458456	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458445	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458463	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458464	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458465	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458423	Clean Harbors, Grantsville, UT

F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458422	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458438	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458437	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458404	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458403	Clean Harbors, Grantsville, UT
F034 Waste, Environmentally Hazardous Substances, Solid (Coal Tar Creosote)	20 ton (approx)	458388	Clean Harbors, Grantsville, UT
