Current Activities

During this reporting period, EPA's contractors Eastern Environmental (EEM) and Chemtron Inc mobilized personnel and a box truck to load out all packaged drums and pails for transport to Chemtron's TSDF in Avon, Ohio. This load out occurred on 10/23/03. This signifies the completion of this removal action. Chemtron is in compliance with EPA's off-site rule.

The facility was left locked and all hazardous substances have been removed from this facility.

DISPOSAL SUMMARY

MATERIAL RCRA CODE SHIP CONTAINER QUANTITY DISPOSAL METHOD
